American Institute of Architects (AIA) Japan Chapter Presentation

Society of American Military Engineers (SAME)
2016 Okinawa Professional Engineers Symposium

07 November 2016

Presented by Richard Moriwaki, AIA
2015 Immediate Past President, AIA Japan

"I became an architect to make a long-lasting impact on communities; to lift spirits, to add value to people's lives and to positively shape the way people live and use space."

Join me.
Joseph Liu, AIA
Member since 2011

AGENDA

- About AIA National & AIA Japan Chapter
- Student Study Program in USA
- Design Awards Program
- Professional Continuing Education Lectures
- Our Events
- Our Sponsors
Who we are
- Founded in 1857 by 13 architects
- **88,000 members**, with national headquarters in Washington, DC
- **260+ chapters** worldwide
- **6 Intl Chapters** (UK, Europe, Hong Kong, Shanghai, Japan, Middle East)
- **Intl Members** – more than 3,000 members, approximately 20% *all* AIA billings
- We are passionate about **driving positive change through power of design**.

What we do
- We empower architects and design professionals to do their best work.
- We advocate for the value of architecture. Value that architects— and good design—bring.
- We promote diversity in design, in the profession and in the workplace.
- We collaborate with innovative partners to create and offer new resources to help our members work smarter and better.
What we believe

- Architecture is everywhere.

- It is the homes where we live and the places our children go to school.

- It shapes our lives and communities. It helps us be healthy, stay safe, work smarter, play together and dream big.

- It touches every one of us. And, it has the power to change the future.
Bill Clinton Opens AIA Convention 2015
AIA Japan – Who We Are

- Chartered in 2006 (Celebrating Our 10th Year Anniversary)
- 75 Paying Members
