

# MY FAVORITE BOOKS TO ENCOURAGE LANGUAGE DEVELOPMENT

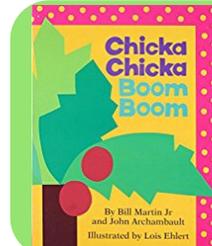

By Kimberly Scanlon, author of *My Toddler Talks* and *My Toddler's First Words*

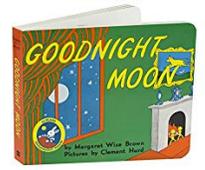

Touch the pictures, make the sounds, perform hand gestures, and form facial expressions associated with the objects and animals.

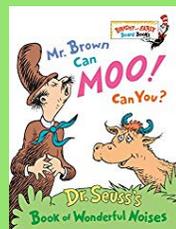

A predictable, rhythmic, and colorful book that's fun to speak or sing.

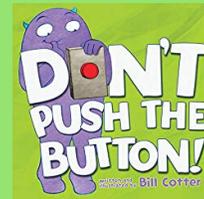

A super engaging book to target the common first word "up".

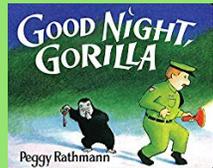

This classic bedtime book will entice your little one to get ready to sleep by saying, "Goodnight" to the various objects in the room.

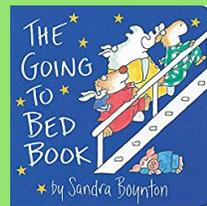

This book will motivate your toddler to shout out "Moo", "Cock A Doodle Doo", "Tick Tock", "Knock, Knock" and so many more sounds while you read.

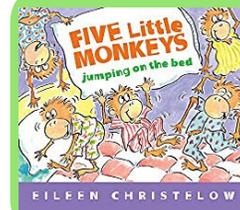

This book is a fun way to target following directions.

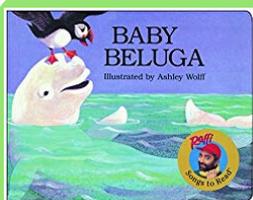

Great book for encouraging a toddler to point and express joint attention.

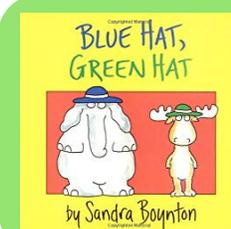

This is a playful book to read to children. It elicits words like brush and teeth.

When reading this book, perform the gestures that correspond to the actions occurring in the book.

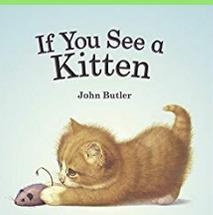

A fun book to sing along with your toddler that practices repetition and rhythm.

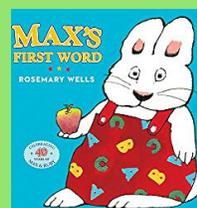

This simple and delightful story gets your toddler to say, "Oops!" It's so adorable when a little one says "Oops!"

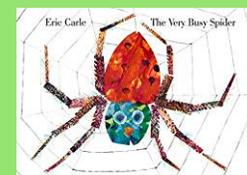

By asking questions, this book encourage a toddler to think and respond (verbally or with gestures).

Soft and gentle illustrations entice your child to say a variety of fun sounds like "Ouch!", "Oooh!", and "Wow!"

This humorous books shows the unpredictability of toddlers.

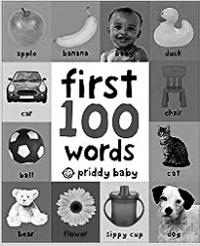

This book practices animal sounds- try to neigh like a horse, meow like a cat, or woof like a dog.

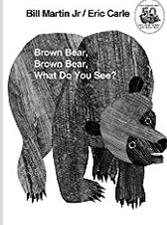

"There are many little ways to enlarge your child's world. Love of books is the best of all." - Jacqueline Kennedy

# About Kimberly Scanlon

I'm Kimberly Scanlon, a speech-language pathologist with over a decade of experience, an author of books to empower readers to facilitate language development, wife to a magnificent Renaissance man, and a mother of two adorable children. I'm also a coffee drinker, book reader, gratitude seeker, and collector of quotes. You'll see some of my favorites sprinkled throughout my books and this site. When I'm not working or writing or running my household or trying to stay organized or picking up crumbs and wrappers in the backseat of my car, I take a deep breath and pause for a moment. Life is good even with the bumps in the road.

"Change your thoughts and you  
change your world."
