FOUNDATIONAL PRINCIPLES

MISSION
Downtown Academy provides children of inner-city Athens, Georgia an excellent and rigorous Christ-centered education that builds knowledge, character, and purpose.

VISION
Downtown Academy prepares children to engage their communities with the confidence developed from academic preparedness and relationships that demonstrate Christ-like hope and encouragement.

VALUES

CHRIST-CENTERED ENCOURAGEMENT
We seek to encourage others with the same encouragement we have received from God in Jesus Christ.

CONSISTENT RELATIONSHIPS
We seek to build organic and authentic relationships that extend beyond the school day and year, demonstrating the consistent love that God has for us in Jesus Christ.

TEACHING EXCELLENCE
We seek to effectively teach and equip our learners with the knowledge and wisdom to live with meaning, purpose and joy.

INDIVIDUAL ATTENTION
We seek to understand each student’s life circumstances and background to reach them with the specific support and encouragement they need.

LOVE IN WORD AND DEED
We seek to love others with integrity that is demonstrated by what we say and what we do.

SACRIFICIAL SERVICE
We seek to love and serve others genuinely from the heart, even when that service comes at a cost.

CONTINUOUS GROWTH
We seek to encourage each other to continuously grow into the men and women God desires us to be.

BIBLICAL WORLDVIEW
We seek to educate and equip others to apply the truth of the Bible to all areas of their lives.
STATEMENT OF FAITH

Downtown Academy is the outworking of the beliefs of the board, faculty, and staff in the following:

I. The Bible, contained in the Old and New Testaments, is the Word of God, without error, and the supreme authority in all areas of life.

II. The God of the Bible is the only true and living God. There are no others. God exists as the Trinity – God the Father, God the Son, and God the Holy Spirit.

III. All people are created in the image of God, and as a result are worthy of dignity and respect. At creation, the first man and woman were without sin, in perfect relationship with God. However, the first man and woman were separated from a right relationship with God by their disobedience, which is known as sin. All people are now born sinful, and no one is acceptable to God by him/herself. Because all men and women are sinful, all deserve the penalty for sin, which is death.

IV. Because of man’s disobedience, a mediator is needed to restore the relationship between God and his people. Jesus Christ is the Son of

V. God and is that very mediator, making it possible for his people to know God and to renew their relationship with him.

VI. Jesus Christ, although God, was born of a virgin mother to become man. He performed miracles and lived a life of perfect obedience. Through his death, Christ became our substitute receiving the punishment we deserved and granted to us his own righteousness. As a result, by faith, our sins are forgiven and our relationship with God is restored.

VII. Jesus Christ was raised from the dead, appeared to his disciples, and ascended into heaven. He lives and reigns over the world today as the King of Kings and shall return to judge all men at the final judgment. Through his resurrection, all believers have assurance of eternal life with him.

VIII. Through the teaching and preaching of God’s Word, the Holy Spirit calls people to renewed relationship with their heavenly Father. He does this by enabling them to recognize their need for forgiveness because of their sinful ways, to be sorrowful, to repent and to trust in Christ as their Savior. Salvation is possible by God’s gift alone, and not by any effort on our part to please God.

IX. Those who enter into a relationship with God become his children, are given the gift of the Holy Spirit, and receive as their inheritance eternal life in the Kingdom of God. As children of God, our primary purpose in this life is to glorify God and to enjoy him forever.
ACADEMIC VALUES AND PRIORITIES

CHRIST-CENTERED
Since God’s truth is revealed in the scriptures as well as in all creation, the Christian worldview approach integrates the truth of scripture with learning in all subject matter.

EXCELLENCE
A Christ-centered education requires a commitment to excellence. We aspire to the highest standards of instructional effectiveness and promote the highest standards of academic achievement for each child.

RIGOROUS
Academic and character development should promote principled reasoning, a love of learning that brings glory to God, and an attitude of servant-leadership to become all that God calls us to be, whereby young men and women are developed to be leaders in the renewal of their communities and transformation of our city. Building this leadership capability requires an academically rigorous curriculum that develops knowledge, character, and a sense of purpose.

PHILOSOPHY OF EDUCATION
Parents have a God-given responsibility for the education of their children. Therefore, parents are expected to take an active role in the educational process.

Teachers and staff who stand in the place of the parents during the school hours should genuinely model the Christian world and life view with love and grace. The DtA staff utilizes a learning process referred to as the TDOEE whereby skills are Taught to the children, Demonstrated to the children who are then Observed replicating the skill. They are then Evaluated and Encouraged to continue and improve in excellence.

Prayer is essential to this Christian institution and we solicit the prayers of all who are involved with this mission so the unity of the Spirit and the peace of the Lord will be manifested in all our activities.

CURRICULUM
The curriculum of Downtown Academy has been selected to suit our children’s particular learning needs. Our curricular emphasis is on building a strong base in reading and mathematics supplemented with science, history, art, physical education, music and Biblical studies. Our curricular objectives draw from the Georgia Standards of Excellence and tailored to our children. A curriculum is the “tool of education.” As any craftsman knows, the more effective the tool, the more efficient the work. Therefore, the carefully and prayerfully selected curricula our teachers use are some of the best tools available.
The Downtown Academy colors are red, black, and white. When designing anything for Downtown Academy, please refer to the school or Downtown Ministries office to make sure you are using the correct colors, as provided by our media standards. From the Pantone Color Matching System, we use Pantone 422 or in 4-color process, 100 magenta 70 yellow 10 black for our red. For our black, solid black. For web reproduction, #CC0000 for red, and #000000 for black. If you are not sure that you have the correct shade of red or the right dimensions, please bring your project to the Administrative Director, Kayla Oakley for approval.

Downtown Academy is an outworking and program of Downtown Ministries. Downtown Ministries serves children across Athens by providing affordable and accessible athletic programs that support the development of children in the given sport through high quality coaching and Christ-centered relationships. For more than a decade Downtown Ministries has been training athletes, through its Falcons programs, to be stand out athletes and young men and women.

Most fees, including registration, are waived for any child attending Downtown Academy.

While children are not required to be involved in Falcons athletics, we strongly encourage parents to find beneficial ways for their children to get physically active outside of the school day.

**VISITORS**

No one may enter the school building during school hours without the Head of School’s permission. Children may not invite a visitor without first clearing it with the school administration. Additionally, parents wishing to visit classes or converse with teachers are encouraged to make an appointment through the school office or directly with the teacher. While parents are welcomed at all times, all parents must first sign in with the front office and be escorted by a staff person to their child’s classroom.

**CHARACTER DEVELOPMENT**

Infusing the day with the Gospel in both word and deed, our children grow in character to develop those traits that will empower them to set and achieve their goals, become leaders in their communities, families, and places of work. Teachers will report children’s grades in each of the six character traits listed below each quarter as a part of their report card.

These behaviors and character strengths are borrowed from the educationally innovative KIPP schools and Riverdale Country School and research from Angela Duckworth and Martin Seligman at University of Pennsylvania and Chris Peterson at University of Michigan.

EXPECTATIONS OF DOWNTOWN ACADEMY CHILDREN

Throughout the school, children may be heard repeating back the four expectations of children at Downtown Academy. All behaviors fall under one or more of the following categories that children are expected to demonstrate both in and out of class, by which effort they will grow to be men and women of greatness.

Children at Downtown Academy…

1. **Listen** to directions, their environment, and wise counsel in order to know what to do and how to
2. **Obey** the authority (parents, teachers, pastors, community leaders, and the law) whom God has given them to show the right way to grow in becoming great men and women.
3. **Work Hard.** They try their best and give their all, discovering and utilizing all the gifts and skills the Lord has blessed them with.
4. **Never Give Up.** Regardless of how difficult the task or situation may be, children at Downtown Academy are made of and develop that kind of grittiness that keeps them from backing down, that keeps them in pursuit of the highest level of achievement, that will instill in them what it takes to become the great men and women God has created them to be.

**SCHOOL CLOSINGS**

School closings due to weather or other emergencies will be announced through Phone, Email, and/or Text Renweb Notification services and will be consistent with announced Clarke County School District closing announcements.

As always, please use your own judgment about whether it is safe to transport your child to school. We will not count any child as tardy or absent as long as you let us know that your roads were not passable. If roads are icy, please do not try to drive to the school.

**EARLY CLOSING DUE TO WEATHER**

If school is in session and the weather causes a need to close school early, please listen for the announcement to TV and radio stations for CCSD closings as Downtown Academy’s closings, delayed openings, and early closings will be consistent with Clarke County’s. In the event of early dismissal due to weather, parents are expected to pick up children at school.

Again, please use your own judgment as to whether it is safe to transport your child to school. If school opens late and your roads are too dangerous to travel, your child’s absence will be excused for that day if you send a note on the day s/he returns to school.

**DISCIPLINE**

*A refusal to correct is a refusal to love; love your children by disciplining them.* —Proverbs 13:12
Discipline is necessary for the welfare of the children as well as the entire school. It is impossible for learning to take place in a classroom unless control and good order is maintained. Therefore, each teacher is given the liberty of making and enforcing classroom regulations in the manner that he or she feels is in accordance with Christian principles and discipline as set forth in the Scriptures.

Our code of discipline is governed by biblical principles of truth, grace, and mercy rather than a strict code of rules and penalties. One of the school’s fundamental roles is in the cultivation of a child’s sense of responsibility for their behavior and achievement and for the well-being of their community. At Downtown Academy, the classroom teacher takes the lead role and responsibility in this effort.

When behaviors require administrative attention, an emphasis will be put on restoring the child to the classroom with dignity, while attending to the infraction with grace and truth. Whenever a child is sent to the school office for a behavioral infraction, the age-appropriate consequence will be delivered according to the behavior and the category into which it falls (see table below). Parents will be notified as soon as possible of the infraction and the school’s response.

Discipline Categories and Consequences of Misconduct has been classified and divided into three categories, depending on the severity of the violation. The category and the consequences are at the discretion of the teachers and/or the administration. None of the following lists are presumed to be comprehensive or intrinsigent.

**Category I**

- Passing notes in class
- Unexcused absence
- Tardy to class
- Chewing gum
- Dress code violation
- Possession of non-dangerous prohibited items
- Littering
- Talking or disrupting class
- Food or drink in unauthorized locations or at unauthorized times

*Consequences may include parent notifications or parent-administration conferences.*

**Category II**

- Using inappropriate language
- Misconduct
- Disrespect of authority
- Defacing or destroying school property or personal property
- Leaving school grounds without permission
- Use of electronics & media inconsistent with the school’s educational philosophy
- Cheating and Plagiarism
- Cutting class/school
- Lying
- Excessive Cat. I offenses

*Consequences may include student/parent conferencing, parent/administration conferencing, suspension from school, and/or suspension from other Downtown Ministries programs.*

**Category III**

- Fighting
- Violating US, GA, or ACC laws
- Threats of any kind: verbal, written, or implied
- Using or possessing drugs, alcohol, or tobacco
- Use of profane or vulgar language
- Stealing
- Sexual misconduct
- Extreme misuse of electronic media inconsistent with the school’s educational philosophy
- Possession and/or use of inflammatory devices such as matches, cigarette lighters, fireworks, etc.
- Sexual and racial harassment
- Blatant disrespect of authority
- Using or possessing a weapon at school or at a school activity
- Defacing or destroying school property or personal property
- Excessive Cat. I and Cat. II offenses
Consequences may include suspension, expulsion/withdrawal, and/or suspension from other Downtown Ministries programs.

The administration reserves the right to deal with any and all actions not covered by these policies and procedures.

**PROBATION**

Children whose behavior, academic effort, and/or patterns of attendance fail to demonstrate an appreciation of the opportunities afforded them at Downtown Academy may be placed on probation. The purpose of probation is to serve as a warning to reignite the attitudes and effort of children on probation. Probation will set goals, terms, and consequences that clarify the purpose of the probation period. The length of the probation, terms, and goals will be determined by the school's administration.

**Scholarship Revocation**

Any child on probation is necessarily at risk of having his or her scholarship revoked for failure to comply with the terms of the probation. Should a child’s scholarship be revoked, the child may only return to class if the full prorated remainder of his or her tuition is paid.

**ARRIVAL AND DISMISSAL**

**MORNING ARRIVAL:**

All vehicles pull up the hill through the drive leading to the school building from the entrance to the parking lot at the bottom of Clayton Street.

All children should be READY to get out of the vehicle upon stopping.

Please park in the upper lot if you arrive early, or if your child is not immediately ready to leave the car you may park at the bottom of the hill and walk your child up.

Children should enter and exit vehicles from only passenger side of the car.

**AFTERNOON DISMISSAL:**

Please DO NOT arrive more than 15 minutes early.

Children remaining at school fifteen minutes after dismissal begins will go to Downtown Ministries Afterschool Program.

- All late arrivals for pick-up must wait in line: cutting in front of other vehicles is NOT ALLOWED.
Parking in the Pickup/Drop off lane is NOT ALLOWED at any time. Parking is available in front of the Firestone Room and in the lot outside of the Upper Warehouse building when not in use for class.

Drivers of all vehicles each morning and afternoon should abide by the following guidelines:
- Drive slowly (5 mph limit).
- Discontinue use of cell phones.
- Be patient and courteous to other drivers, as well as staff and faculty assisting with carpool.
- Use blinkers when appropriate.
- Have all children buckled up when the vehicle is in motion.

Please notify your child’s teacher of carpool arrangements as soon as possible. If your child is going home in a different carpool, the school requires that you notify the teacher or the school office by phone, text, or email. It is a courtesy to call the carpool driver if your child is absent from school or will not be riding in the regular carpool.

**Pick Up and Dismissal Policy**

Classes dismiss at 3:30. Please be on time and wait outside the building to pick up your child if he or she is not staying for the Afterschool Program. The teachers will bring their class to the Lower Warehouse building upon dismissal. In order to minimize classroom disruptions while children finish their end-of-day routines, please refrain from checking out children after 3:00 p.m.

In poor weather, children will be kept in the main building until their parent/guardian is present to receive them.

Should a child consistently arrive late to school or late in being picked up, a meeting will be scheduled with the school administration to rectify the problem.

**Early Check Out**

If checking your child out early, please come to the school office at least 30 minutes before school dismissal time to minimize classroom disruptions and so teachers and children can complete their end-of-day routines and preparations for the next day. Your child will meet you in the office to keep down classroom interruptions.

Children with excessive early sign-outs or late sign-ins will have the situation reviewed in a conference between parents or legal guardian, child, and Head of School. More than six (6) sign-outs in a quarter will be regarded as excessive, and may result in a loss of scholarship.

**Attendance**

Regular attendance is essential to the success of a child’s school experience. We believe that prompt and regular attendance contributes to outstanding academic achievement. A school that values excellence in attendance and instills that in its children has laid one of the foundational elements of long-term success.

**Absences**

Downtown Academy Teachers work hard every day to provide important lessons for your children. Knowledge builds on knowledge and each lesson learned provides the foundation for future learning.
Children are expected to be in class every day unless they are sick or there is a family emergency. Any other reasons for missing school should be discussed with the teacher and approved on a case-by-case basis. If you know your child will be absent please contact the school. **Try to schedule appointments (haircuts, dentist, etc.) after school hours if possible.** Parents, please be mindful of testing dates, field trips, etc. when scheduling planned absences.

**EXCUSED ABSENCES**
- Children are excused for absences due to illness, religious holidays, and family emergencies. Please contact the school office as soon as possible to report an excused absence. If a child does not arrive at school, we want to be sure that he/she is safe with you.
- Children have two days per excused day of absence to make up missed class work.

**OTHER ABSENCES**
- All other absences are unexcused unless approved by the Head of School.
- Parents seeking approval of absences for special events, family trips, etc. should submit a request in writing on the request for approved absence form no less than three days prior to the anticipated absence. Such requests should be avoided except in the case of exceptional opportunities, as regular attendance is critical to academic success.
- Absences on the day before or after a scheduled school holiday will not be excused.
- No credit will be given for missed classwork or tests due to unexcused absences.
- Make up work will not be provided for unexcused absences.
- Suspensions from school qualify as unexcused absences.

**EXCESSIVE ABSENCES**
Children who accumulate absences in excess of 18 (10% of total school days) across the school year or 10 in any one semester will be placed on probation. In the event of prolonged illness or family emergencies, the school will work to assist the child in catching up on missed lessons and assignments. Excessive absences for reasons other than illness or family emergencies may result in the child’s loss of scholarship, required attendance in Summer School at the parent’s expense, or mandatory repetition of the current grade.

**TARDINESS**
Numerous tardies and absences negatively impact learner achievement. Tardiness also has a negative impact on the learning environment as it causes interruptions and distractions for other children. Teachers cannot be responsible for important work missed because of tardiness. An adult must escort all children arriving after carpool to the school office.

**PRESENT IF:**
Checked in by 10:30 a.m.

**ABSENT IF:**
Checked out before lunch

5 Un/excused Tardies = 1 Un/excused Absence

**BEFORE & AFTER SCHOOL SUPERVISION**

Children should not go to class or enter the building before 7:30 a.m. Extended Day is provided for those who arrive early from 7:30 a.m. – 8:00 a.m. Children remaining on campus after dismissal will be sent to the Downtown Academy Afterschool Program – therefore, all children MUST be registered for Downtown Academy Afterschool program regardless of enrollment in another after school care program.
AFTERSCHOOL PROGRAMS

The out-of-school education that children acquire in less structured settings is extremely important and can be highly valuable or very detrimental. We recommend the following after-school options:

- Downtown Ministries --- Mon-Fri --- 3:15-5:00
- Thomas Lay Park --- Mon-Fri --- 3:00-5:30
- East Athens Community Center Mon-Fri --- 3:00-5:30
- Boys & Girls Club --- Mon-Fri --- 3:30-6:00

CLASS AND SCHOOL PARTIES

Your children are precious and we want to make as many opportunities to celebrate them as we can. Downtown Academy hosts school-wide Thanksgiving, Christmas, Valentine’s, and Easter parties. We close the year out with a Luau-themed reception following the end-of-year ceremonies on the last day of school. Additionally, corporate birthdays are held each month to celebrate all children with birthdays that month. Parents may host parties for their child’s class, but all parties must be approved by the head of school. Parents helping with parties are asked not to bring siblings to class parties.

PARTY INVITATIONS

The school encourages invitations for personal parties such as for birthdays to be extended to all children in the class so as to eliminate hurt feelings. Children are particularly sensitive to being excluded by someone they think is a friend.

If your child is inviting all the children in the class, or all girls or all boys, to a party, arrangements may be made with the teacher to hand the invitations out at the end of the day.

MESSAGES

Parents are asked not to call the school and request messages be delivered to children unless there is an emergency. Arrangements for picking up children early should be made the night before, and a note or text message should be sent to the teacher. It is difficult to deliver last minute messages, especially in regard to afterschool programs. Children are not allowed to have cellphones in class. During the school day, cell phones should be out of sight and turned off until the child leaves school. Cell phones may not be turned on while on the school bus.

SUNDAY ACTIVITIES

We strongly discourage any school related activities from meeting on Sunday. We view Sunday as a day set apart for rest during which children and families may spend time together. It is important that children and parents have this day to prepare for the challenges of the upcoming week.
**ELECTRONIC DEVICES**

Children are not allowed to have cell phones or “smart” watches capable of sending or receiving calls or texts with them during the school day (including during afterschool programs and on the bus). These devices may be left in book bags, silenced or off, until they leave campus (the bus is an extension of the campus) for the day.

All other electronic devices, such as Kindles, Nooks, iPads, etc are not allowed at school without permission of the child’s classroom teacher. All personal electronic devices brought to school by children are brought at your own risk.

**DRESS CODE**

Appropriateness of overall appearance will be left to the discretion of the administration/staff. **Children must be in dress code all times.** The Downtown Academy dress code is as follows:

<table>

**OUT OF UNIFORM DAYS**

“Out of Uniform” days are periodically allowed. Children may wear jeans or casual solid colored pants or shorts on such days. No athletic, camouflage, or sweat pants are allowed. Logos of the shirt manufacturer or a Downtown Academy/Falcons logo are the only advertising allowed on shirts. No tank tops or sleeveless blouses/shirts are permitted. The children must wear shoes appropriate for school. If the “out of uniform” day is to promote a school event, children may be asked to wear a specific shirt or themed attire.

**LUNCH**

Children must provide their own nutritious bagged lunch. No sodas, gum, or candy, please. Please limit the amount of sweets. Children are required to clean up at the end of each lunch period. Parents or guardians (or other relatives) are invited to have lunch with their child(ren)—simply notify the office prior to the date you plan to come. If a child forgets lunch or snack, you will be notified immediately. **Lunches need to dropped off at least 10 minutes before lunch and a staff member will deliver lunches to classrooms.**

The school does not provide microwave ovens for children to use to warm their food. Please ensure the lunch they bring with them may be eaten without the need to heat any component of the lunch.

Each Friday slices of pizza may be purchased at the school. Slices must be prepaid by 9:30 that morning. From time to time, local businesses and restaurants or parents may wish to support the school by providing lunch for our children at little to no cost. Parents or guardians will be notified of such events.

**LUNCH BUDDY MENTOR PROGRAM**

Downtown Academy offers a mentoring program called Lunch Buddies. This may be available to all children and provides each child with an assigned a Lunch Buddy Mentor. The purpose of this program is to connect our children with leaders in the community to develop the children’s communication skills while establishing real personal relationships and connections that may aid your child’s success in and out of school. All mentors are background checked and required to complete Darkness to Light, a child sexual abuse awareness course. If you have any questions about the Lunch Buddy Program, please contact the school office (706-353-8996).

**SNACKS**

Daily snacks are not provided for children, however, refreshments for special occasions may be acceptable for all grades when coordinated with the classroom teachers. Healthy snacks are encouraged. Chewing gum is not allowed, except on special occasions when approved and distributed by the teacher.

**HEALTH AND MEDICATION POLICY**
Downtown Academy strives to provide education in a safe and healthy environment. All children are required to have a completed and up to date Certificate of Immunization, a doctor’s physical and emergency contact form on file prior to the first day of school. These forms must be updated each year. It is important that we have medical/contact information on file in case of an emergency. Downtown Academy will not distribute any medication - even aspirin - to a child without written parent or guardian authorization. The school will administer any basic first aid for children according to the blood borne pathogen policy.

We realize that some children may need to have medication administered at school. In order to do this, we must have a form signed by a healthcare provider (doctor, nurse practitioner, physician’s assistant) that tells the name of the medication, the dosage and the frequency with which it must be given (detailed, specific instructions). We cannot administer any IV or intramuscular medications with the exceptions of epi-pens which must be registered with the school office.

All medications must be brought to the front office by the parent along with the Medication Administration Form.

You may obtain a Medication Administration Form and/or a Medical History Form from the school office. It is your responsibility to inform us of any change in your child’s condition—such as a worsening of asthma, a new allergy, or a change in medication.

**ILLNESS GUIDELINES**

Most parents are quick to realize if their children are really sick, but what about those gray areas? Here’s a quick reference guide to aid in those last minute judgment calls. *If your child is in the contagious stage of an illness, please contact the school office and keep him/her home and we will work with him/her in whatever way is needed to catch up with his/her schoolwork.* Children should not come to school with a fever and should be symptom free for 24 hours before returning to school. We will provide you with work that the child can do at home which you will be able to pick up from the teacher.

**IMMUNIZATIONS & HEALTH**

All children at Downtown Academy must maintain current certificates of immunization on file. Forms must be submitted by the first day of classes. All new children must have a Georgia Department of Human Resources Form No. 3221. Forms are available from the local health department or private physicians. Children will not be permitted to class or group events without these fully updated documents.

Each year parents are required to confirm or update pertinent information available online regarding family information for their children. This requirement applies to children that attended Downtown Academy in the previous school year as well.

**SERIOUS INFECTIOUS ILLNESS POLICY**

Downtown Academy recognizes that serious infectious illnesses, including but not limited to the acquired immune deficiency syndrome (AIDS) and its related conditions, may have a tragic impact on those afflicted and involve significant and sensitive issues for children, faculty, and staff. The school also recognizes that both employees and children who contract such serious infectious illnesses may wish to continue their employment or education at the school.

At the same time, the school is committed to satisfying its obligation to provide a safe and effective educational working environment for its children, employees, and visitors. Accordingly, the school will take appropriate precautions to ensure that any health and safety concerns arising out of an individual’s illness are managed in accordance with current medical knowledge and procedures.

With these principles in mind, the school has established the following policy for children and employees with serious infectious illnesses.

In promulgating this policy the school is aware that the best course of action for dealing with an illness may vary from case to case. Accordingly, this policy only attempts to outline the school’s general approach to serious infectious illnesses, for each case must be addressed in the context in which it arises.

The school will provide reasonable accommodation for an employee with a serious infectious illness when needed to enable the employee to continue to perform the essential functions of his or her job or to otherwise benefit from the privileges of employment, so long as the accommodation does not impose an undue hardship upon the school.

An employee with a serious infectious illness will be allowed to work at the school so long as he or she is able to perform (with or without the aid of the aforementioned accommodations) the essential functions of his or her position and he or she does not present a health or safety risk to himself/herself or other employees, children, or visitors. The school may require verification from the employee’s attending physician that the
employee is fit to continue to work in accordance with this standard and may from time to time thereafter require periodic verification of the employee’s fitness to continue to work in the same regard.

The school will make reasonable modifications in its policies, practices, and procedures in order to allow a child with a serious infectious illness to benefit from the academic and other services offered by the school, so long as the modifications do not fundamentally alter the nature of the service that the school provides or constitute an undue burden on the school.

A child with a serious infectious illness will be allowed to remain at school so long as his or her medical condition allows him or her to perform up to the school’s standards and does not present health or safety risk to him/her or other children, faculty, or staff. While at school, a child with a serious infectious illness will be allowed to partake fully and equally in the educational, social, and extracurricular activities at the school so long as the participation does not present a health or safety risk to the child or other children, faculty, or staff. The school will review on an ongoing basis the enrollment of a child with a serious infectious illness and make decisions regarding whether and under what circumstances he or she can remain at school. The school will make these decisions in accordance with the school’s interpretation of its policies and the applicable laws and in light of medical and scientific opinion and advice. In making such decisions, the school shall, whenever practicable, consider, among other factors, the opinions and recommendations of the child, the child’s parents or guardians, and the child’s physician, but because of the school’s required interest in the health and safety of other children, faculty, and staff, and its desire to provide continuing educational, social, and extracurricular activities to other children, the school will not be bound by these opinions and recommendations.

The school holds all medical information that it receives about the condition of an employee or child with a serious infectious illness in confidence. This means that the school restricts access to such information to those with a legitimate need for the information. An exception to this rule will be allowed when the employee or student with a serious infectious illness authorizes further disclosure of such information. Since the particular individuals with a need to have access to such information will vary from case to case, the head of school will decide in each case whom to inform. This policy recognizes that the individual’s right to confidentiality may have to yield to the school’s commitment to satisfying its obligations to provide a safe and effective educational and working environment for all of its children, employees, and visitors.

**LIBRARY**

Removal of library or classroom materials, whether printed or electronic, without following established checkout procedures is considered stealing.

Media may be checked out from the Library at no cost to the child or family. The cost of any lost or destroyed items borrowed from the DtA Library will be charged to the student’s account. Transcripts will not be released to children or parents if Library materials checked out to a child are not returned by the last day of the school year. These documents will be withheld until either the Library materials are returned or paid for.

**LITTER**
The responsibility of our keeping up our school and school grounds belongs to all of us. Everyone should take pride in the school’s general appearance by helping to keep the campus clear of litter. Intentional and careless littering is a Level I disciplinary offense.

**LOST AND FOUND**

Please label all clothing to insure the return of lost items. Found items should be taken the school’s office.

**RAINY WEATHER**

On days with rain in the forecast, children should come prepared with an umbrella and/or rain jacket or hooded poncho.

**PHYSICAL EDUCATION PARTICIPATION**

All children participate in physical education. Excuses for P.E. must be sent to the teachers; the Head of School will address excessive excuses. Physical fitness tests are administered annually.

**BEVERAGES**

Students may only bring and drink water while at school. Soft drinks, juice, and other sugary, caffeinated, and/or colored beverages are prohibited. Given teacher permission, children may bring water bottles to class. Any prohibited beverage will be confiscated by the teacher and the parent will be notified.

**STANDARDIZED TESTING**

All children at Downtown Academy take end-of-year standardized exams. Parents will receive testing results along with the final academic and character report cards. This test is an important indicator of each child’s growth and achievement during the school year.

**GRADING**

There are four grading periods per year.

**Homework Policy**

Homework is an important part of our academic program. As such, homework assignments involve various types of learning – oral, written, and creative. Children are expected to complete all assignments.

Homework assignments are designed as combinations of the following:

- Expansion of classroom activities
- Preparation for future classroom activities and/or assignments
- Reinforcement of skills and concepts
- Promotion of interest in a subject area

Homework that is late may not be accepted and result in a zero grade for the assignment.

At each grade level, on average, children should have homework assignments requiring the following amount of time per school night:

- Kindergarten ………………………………….10 minutes: Reading
  10 minutes: Other assignments
- First and Second Grades……………………..20 minutes: Reading
  15 minutes: Other assignments
- Third…………………………………………30 minutes: Reading
  20 minutes: Other assignments
- Fourth…………………………………………30 minutes: Reading
  45 minutes: Other assignments
- Fifth………………………………………….30 minutes: Reading
  45 minutes: Other assignments

**Retention**

On occasion children will be retained and must repeat their grade in order to maintain their scholarship at the school. Children can be retained at Downtown Academy for any/all of the following reasons:

- Academic failure in one or more subjects across multiple grading periods.
- Excessive tardies and/or absences during the school year (failure by attendance).
- Excessive immaturity or behavior concerns.
- Collaborative decision between child’s teacher and the administration.

If a parent decides that his/her child will not be retained and the faculty determines we are unable to satisfactorily meet the student’s needs, then the child will be withdrawn from Downtown Academy.

**Communication**
Downtown Academy is committed to communication procedures that keep parents, faculty, and staff as informed of Downtown Ministries’ news as possible. Several methods of communications are utilized to achieve this – the Downtown Academy website, email, telephone, smartphone apps, and paper mail.

We encourage parents to meet with each other and the teachers! We educate your children together!

We encourage you to contact your child’s teacher first if there are any difficulties or concerns. Establishing and maintaining good communication will help ensure that your child’s needs are being met. You may also contact the school office if you have further questions or concerns.

- Required parent conferences are scheduled for all parents during the first and third grading periods. Report cards will be sent home with your child at the end of each quarter. Additional teacher conferences may be scheduled if needed. Please refer to the school calendar for conference dates.
- If you desire a conference at any other time, please call the school office or contact the teacher, requesting a conference. The teacher will arrange a mutually convenient time to meet with you.
- If there are problems that you would like to address, please refrain from discussing them on Facebook, text, or by email. We believe that face-to-face communication is best. When that is not possible, phone calls or written communication may be used.

We believe that working together with your child’s teacher can solve most problems. However there are times when more help is needed. Depending on the situation, either the teacher or the parent may request additional support from the Head of School. Whatever steps are taken, it is the welfare of your child that is foremost in the decision-making process.

It is vital that you stay in close contact with the school by attending parent meetings, carefully reading the monthly newsletter, reading any leaflets or information sent home by the school and calling your teacher or the school office with any questions or concerns. Parent involvement is essential.

**Parent-Teacher Conferencing**

Parent/teacher conferences are scheduled in the fall and in the spring. These dates are so noted on the school calendar. Other conferences are scheduled as needed. Parents wishing to make appointments are requested to call, text, or email their child’s teacher. All meetings regarding psychological and/or academic testing or placement, including retention, must be scheduled through the school administration. All other concerns should first be addressed with the child’s teacher.

If parents have a concern about their child, they must first meet with the child’s teacher to address those issues. If no resolution is reached, the next step is to contact the school administration.

**Parent Advisory Board**

As a parent of a child at Downtown Academy, you are a member of the Parent Advisory Board (PAB). The PAB serves to uplift the DtA family by giving voice to concerns, prayers for needs, and feedback on initiatives, to connect parents and families with one another through large events and small group planning, and to celebrate achievements and God’s work within the DtA community.
The PAB meets the 2nd Monday of each month during the school year. Parents are asked to attend every meeting they are able.

**Bus Service**

Downtown Academy provides our school families with needed services such as bus pick-ups and drop off at convenient locations around Athens. To promote children’s continued academic growth beyond the school day, Downtown Academy provides transportation to after school programs such as the Boys and Girls clubs, Athens-Clarke Leisure Service programs, and the YMCA.

If you expect to use the service only occasionally and pay the daily rate, you will still need to fill out the form when you need to use this service. You may find the bus registration form online or may pick one up from the school office. Please return the sign up/permission form as soon as possible, no later than August 1, so we can compile rider lists before the first day of school.

Contact the school office for details regarding pickup and drop off locations or to request additional ones.

**Tuition**

Annual Tuition is $7,200. Scholarships are made available to all qualifying children. Tuition is payable by Money Order, Visa or Mastercard, check, or cash. Please bring exact amount. The office will not make change, but will add payments in excess of what is due to your child’s account. **Tuition is due on the first Monday of each month.** Your payment is considered late after that following Friday. **Unpaid monthly balances will result in a $10.00 late fee added to the outstanding balance.** There are 10 monthly payments beginning in August and ending in May.

Please contact the school office immediately if you are unable to pay your tuition on time.

Many individuals, churches, other organizations and corporations have sacrificially donated to make scholarships available for any child to attend Downtown Academy. Scholarships will be decided on an
individual basis depending on the household income. We will work with any budget to remove cost as a barrier to a great education.

**FEES AND OUTSTANDING BALANCES**

Fees and fines may be accrued for late payments, lost or destroyed school materials, and unreturned library books. Parents will be notified of any additional fine or fee and it will be included on the next bill.

All tuition, fines, and fees must be paid by the end of the school year. Report cards and all other records will not be released for children with outstanding balances remaining at the end of the year. Records will be made available immediately upon settlement of all school balances.

In the case of student transfer both during and after the school year, tuition and all fines and fees must be paid in full for the full school year before transcripts will be released.

Children may not be allowed to register for the next school year until their balance from the previous school year is paid in full.

Agreement to pay tuition is an agreement to pay the cost in full for the entire school year. Account balances for students who are removed, for any reason, from Downtown Academy will be charged a Withdrawal Fee of $50 per quarter (e.g., $200 during quarter 1, $150 during quarter 2, $100 during quarter, & $50 during quarter 4) in addition to any other unpaid tuition and fees.

**SCHOLARSHIPS**

At Downtown Academy we believe there should be no financial barrier between any child and the opportunity to obtain their highest level of academic achievement. We also believe it is the parent’s responsibility to educate their children (Pro. 22:6). The board of Downtown Academy is committed to raising scholarship funds to make a private education work for every family’s budget.

Scholarships are primarily made available through donations from those who believe in the mission and children of Downtown Academy. In an effort to be faithful stewards to our stakeholders, scholarships will only be available to children and families who are fully participating in the activity and mission of Downtown Academy.

Multiple scholarships are available to ensure an education at Downtown Academy is affordable for every family. School administration will work with each family to identify what scholarship is best for each child.

**DOWNTOWN MINISTRIES SCHOLARSHIP**
The Downtown Ministries Scholarship may be applied for directly through the school office. The scholarship award is based entirely on the child’s household income and the number of people in the household. This scholarship is offered at the time of enrollment and must be renewed each year through the school office.

**GEORGIA TAX CREDIT PROGRAM**
The Georgia Private School Tax Credit law allows eligible private citizens and corporations to receive tax credits for donations to Student Scholarship Organizations (SSOs). SSOs will provide student scholarships to parents of eligible children who plan to attend private schools.
Students who are new to Downtown Academy will be awarded only a partial scholarship through the partner SSO program during the first six weeks of the school year. A request for a full award will be submitted to the SSO if, after the first six weeks of school, it is clear that the child has successfully settled into the DtA culture of excellence.

**Georgia Special Needs Scholarship Program**
The Georgia Special Needs Scholarship (GSNS) Program is a school choice program available for children with special needs attending Georgia public schools who are served under an Individualized Education Plan (IEP). Please visit GSNS Webpage at www.gadoe.org for more information.

A parent/guardian is required to provide Downtown Academy with a copy of the new school year scholarship award sheet for the child. This notifies Downtown Academy that a child is still eligible for the GSNS Program and what his/her award amount will be for the new school year. The award sheet is the only document needed by a parent/guardian for proof of a child’s continued eligibility for the GSNS Program. The calculator with new award amounts for each school year will be available in May. A parent/guardian will need to enter the last public school a child attended, not the private school the child attends to have the calculator work correctly.

Once the GSNS award is deducted from the tuition amount, Downtown Academy will notify the parent/guardian via email and/or phone call of any remaining balance for tuition and fees. Under the GSNS Program, if tuition and fees charged by a private school are higher than the scholarship award, a parent/guardian is responsible for paying the additional tuition.

**GSNS funds cannot be used to pay for the following:** transportation, before or after school care, meals, tutoring, field trip fees, athletic fees, school supplies, summer school/camp programs, other fees as determined by the Georgia Department of Education.
