Dear Falcons friends and family,

Five years ago, Downtown Academy opened its doors to serve a kindergarten and a first grade class. This May, that class of first graders will graduate from Downtown Academy as our first graduating class. It is remarkable to reflect on how much these children have grown over the past several years.

We are grateful for the time, laughter, tears, conversations, successes, and opportunities for growth. While the time with them seems to have been so short, we look forward to seeing the bright futures they are walking into now well equipped with reading, writing, math, and study skills coupled with a strong emotional and spiritual foundation.

We are overwhelmed by the humbling honor of serving the city of Athens, and wish to express our deepest thanks for your support of our children over the past several years. You have played a vital role in the lives of our children!

Please join us May 18th in celebrating these fifth graders’ accomplishments over the past five years and encourage them on towards continuing to become the great future men and women the Lord has designed them to be!

Patrick Ennis, Head of School
Downtown Academy functions as a part of Downtown Ministries and seeks to provide children of inner-city Athens, Georgia with an excellent and rigorous Christ-centered education that builds knowledge, character, and purpose.
