April 2nd launched an integrated partnership with the Trail Museum & Archives and Visitor Information Centre; a new chapter of service at the Trail & District Public Library. Hundreds of boxes of books were moved from the previous location with the help of many dedicated volunteers.

The grand opening was attended by Mayor Mike Martin, City Councillors, and many members of the community; all eager to see the culmination of planning and hard work that went into the Riverfront Centre.

City Councillors, MP Richard Cannings, and accompanying cabinet ministers cut the ribbon at the Riverfront Centre opening ceremony.
PROGRAMMING 2018

Children's programs at the Riverfront Centre have been reinvented thanks to the use of new spaces like the Multipurpose Room and MakerSpace. Six thousand - two hundred and eighty six children enjoyed 238 programs!

Author talks and gadget training were well attended adult programs. Five hundred and fifty patrons attended 30 programs!

Thank you Friends of the Library for generously donating $3483.46 in support of Library programming!

Programs were a huge success thanks to the support of community partnerships with CBAL, FAIR, and the Summer Reading Club sponsors.
