

Elyssa Siegel

Illustrator, Designer

elyssasiegel@gmail.com • (410) 830-0724

Education

- 2015 **Board Certification • Certified Medical Illustrator (CMI)**
- 2012 **Johns Hopkins University School of Medicine, Baltimore, MD**
Master of Arts, Biological and Medical Illustration
- 2010 **Arcadia University, Glenside, PA**
Bachelor of Arts, Scientific and Pre-Medical Illustration, Graduated with Departmental Honors
- 2006-2009 **Maryland Institute College of Art, Baltimore, MD**
Studies in painting and graphic design

Work Experience

- 2012-present **Goodman Campbell Brain and Spine, Indianapolis, IN**
Extensive work creating technically accurate medical illustrations and instructional layouts to be used in medical education and marketing materials targeted to neurosurgeons. Deep experience developing illustrations in collaboration with scientists and surgeons to support scientific journal article submissions, book chapters, and presentations.
- 2016-present **Vanderbilt Memory & Alzheimer's Center, Nashville, TN**
Extensive work creating detailed medical illustrations for journal publications. Experience collaborating with scientific authors and editors.
- 2012-2016 **The Neurosurgical Atlas, Indianapolis, IN**
Developed highly detailed step-wise surgical illustrations for a web-based atlas used to train medical students and neurosurgical residents. Experience collaborating with surgeons.
- 2011 **Comprehensive Transplant Center, Johns Hopkins Medicine, Baltimore, MD**
Created interactive anatomy modules with illustrations and animations on topics related to liver transplantation. Designed a website to convey the information to patients and university-based health care professionals.
- 2010 **The Sol Goldman Pancreatic Cancer Research Center, Johns Hopkins University, Baltimore, MD**
Animated patient education materials that demystify the procedure for Endoscopic Ultrasound with Fine Needle Aspiration. Experience collaborating with healthcare professionals.
- 2008 **Publishing Department, Rubin Institute for Advanced Orthopedics, Sinai Hospital, Baltimore, MD**
Created illustrations for patient education handouts and medical journal submissions as well as designed posters, schedules, and booklets for a course on limb lengthening and deformity.
