Facilities Rental Contract

Thank you for choosing to host your next event at The Haven. While we are first and foremost a day shelter and resource center for people facing homelessness, we offer our beautiful spaces as a resource for community events, meetings, classes and other gatherings. All rental fees directly support the day-to-day operations of The Haven Day Shelter for people experiencing homelessness.

Built in 1837, our building is on the registry of designated historic churches. In order to keep the building well-maintained and safe for all, please carefully review, sign, and return this rental agreement along with a 50% deposit.

(Questions? events@thehaven.org 434-973-1234 ext. 103.)

Capacity:

Sanctuary: Capacity as set by the Fire Marshall is 385 people. There is seating for approximately 250.

Kitchen: An industrial kitchen with all equipment. A maximum of eight (8) people working together to prepare food and clean is safest.

Dining room: 8 round tables seat approximately 40-50 people comfortably. Appropriate for meals or meetings. A private area for about 12 people can be closed off.

Conference Room: Seats 12-15 comfortably around central table. Large whiteboard on wall included.

Reservations and Final Payment:

A space may be reserved by signing and returning this contract with a **deposit of one-half of the total fees. Full payment is due one month prior to the event**, unless other arrangements have been made before the contract is finalized.

Cancellations and Refunds:

In case of a cancellation, The Haven reserves the right to administer refunds on a case-by-case basis.

Decoration Guidelines:

Decorations should be chosen with the understanding that any installation is temporary and should leave no permanent sign or damage.

1. Candles are not permitted in any portion of the building; battery-operated votives are appropriate.
2. No nails, tape, staples, or screws should be used on walls or furniture. "Command" strips are acceptable.
3. Confetti or glitter is not permitted. Flower petals or birdseed may be used outside.
4. Nothing can be hung from the lights or light fixtures.
5. No fireworks or sparklers are allowed on the property.
6. Any live plant or floral bouquet should be placed such that there is protective material between it and the hardwood floors, so as to prevent water damage.
7. Given that The Haven is first and foremost a day shelter and homeless resource, we reserve the right to refuse to display any artwork or décor that is not appropriate in the shelter environment.

Sign Guidelines:

The Haven is restricted by local ordinances as to what signage is displayed. Portable sandwich signs are acceptable, and small banners may be displayed on designated areas of building or railings.

Marketing Guidelines:

Invitations and announcements of the event may not use the name of The Haven except as the designated location. Logo use is restricted to those events that are intended as fundraisers for The Haven, and requires prior permission. The Haven logo is not to be altered.

Clean Up Details:

You are expected to clean up any decorations and trash that you generate during your event. Trash may be deposited in The Haven trash and recycling cans if there is room. Floors should be swept and any spills cleaned up. This cleanup should occur immediately after the event. Any rental pickup necessary should be discussed with the Event Manager.

Parking:

Parking in the downtown area is at a premium. Please instruct your guests to park on the street or in a local garage. Two-hour parking validation for all event attendees is available for the Water Street garage. The two alley parking spots are reserved for Haven staff at all times.

Damages:

It is the desire of The Haven to keep the fees for the facilities low, therefore, we are not asking for a damage deposit. However, if damage to the building occurs as a direct or indirect result of your event, you will be responsible for any repair costs incurred. Repairs will be done by contractors chosen by The Haven to the satisfaction of Haven staff. Such repairs may include such services as glass replacement, floor refinishing, painting, plumbing, replacement of electrical fixtures, or appliance repair.

Security:

The security of The Haven building is very important. You are responsible for keeping all doors closed and locked as much as possible before the start of your event, to discourage uninvited visitors. At the end of your event, please work with your on-site staff member to make sure all entries are secured for the night.

Licenses:

You are responsible for any necessary licenses from ABC in the event that you serve alcohol.

Insurance and Liability:

You as the renter are responsible for obtaining a liability policy for \$1 million for your event. Proof of this policy must be presented by the time the second payment is submitted, at least one month prior to your event.

If legal proceedings are brought against The Haven for compensation for personal injuries, death or property damage arising out of the event, you the renter, will indemnify The Haven and its employees against any judgments which may be rendered against The Haven or its employees, except for judgments on claims which arise out of negligence, gross negligence or willful acts or omissions of The Haven or its employees to the extent allowed by law.

Fees:

Fees are dependent on the type of event:

- There is a minimum rental of **two hours** for all facilities. Costs include payment for a Haven Liaison to be present and serve as resource and security for the event.
