

Shark Teeth

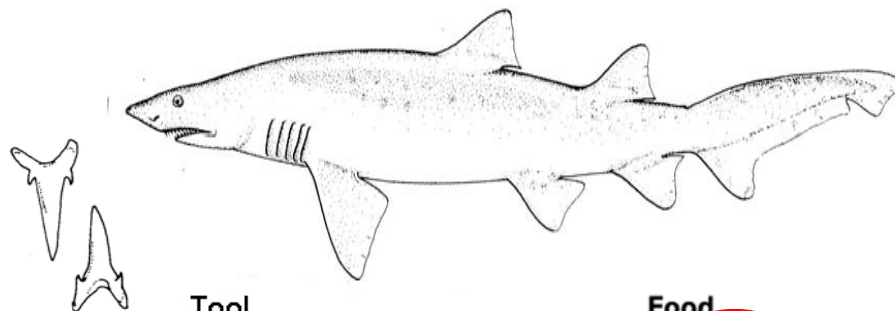

Look at each shark's teeth. Circle the tool you think would perform the same action as the teeth. Think carefully about what the teeth are designed to do and circle the type of food you think each kind of shark eats.

Great White Shark

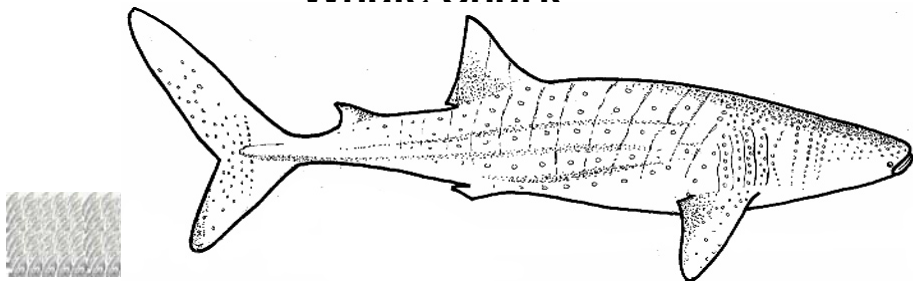

Tool				Food			
SAW	FORK	PLIERS	SIEVE	PLANKTON	CRAB	SMALL FISH	BIG FISH
							

Sand Tiger Shark

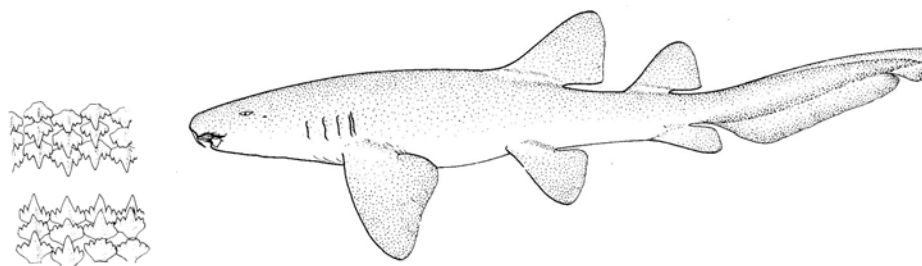

Tool				Food			
SAW	FORK	PLIERS	SIEVE	PLANKTON	CRAB	SMALL FISH	BIG FISH
