Virginia Community Voice is surveying community residents to better understand the hopes and needs of the community and to strengthen people’s capacity to join in the decisions impacting their neighborhood. Please take a few minutes to think about your neighborhood.

1. Which neighborhood do you live in?
   - Afton
   - Bellemeade
   - Blackwell
   - Brookbury
   - Broad Rock
   - Castlewood
   - Cherry Gardens
   - Cullenwood
   - Davee Gardens
   - Hillside Court
   - Jefferson Trace
   - Lafayette Gardens
   - Manchester
   - Oak Grove
   - Rudd Trailer Park
   - Other: ____________________________

2. What do you think are the 2 greatest strengths of your neighborhood? (Pick 2).
   - Friendly people and neighbors.
   - People’s ability to overcome hardship.
   - The way people stick together and help each other.
   - The community’s potential for change.
   - How long people have lived in the neighborhood.
   - The diversity—racial, ethnic, immigrant, sexual—of the people.
   - The history of the community.
   - Other: ____________________________

3. What do you think are the 2 greatest challenges of your neighborhood? (Pick 2).
   - Lack of food access.
   - Need for neighborhood clean up.
   - Need for affordable housing (homeownership and rental housing).
   - Need for Job training and Job opportunities.
   - Need for after-school programs.
   - Need for affordable, quality childcare for 0–5 year olds.
   - Not feeling safe in my neighborhood.
   - Lack of access to affordable health care.
   - Other: ____________________________

4. How likely is it that people in your neighborhood would do something if the local public school was facing budget cuts?
   - Very Likely
   - Likely
   - Neither
   - Unlikely
   - Very Unlikely

5. People in this neighborhood can be trusted.
   - Strongly Agree
   - Agree
   - Neither
   - Disagree
   - Strongly Disagree

6. People in this neighborhood generally get along with each other.
   - Strongly Agree
   - Agree
   - Neither
   - Disagree
   - Strongly Disagree

7. Roughly how many people on your block—both sides of the street—do you know by name?
   - None
   - A Few
   - About Half
   - Most of Them
   - All of Them
8. If you were to participate in a community-based project to address one of these problems, which 1 would you be most likely to support? (Pick 1)

- I’m not likely to get involved.
- Helping increase access to healthy, low-cost food.
- Helping clean up and beautify the neighborhood.
- Helping increase access to affordable housing.
- Setting up job training programs that match local jobs.
- Helping secure affordable childcare for children 0–5 years.
- Helping secure afterschool and summer programs for youth.
- Helping to increase access to affordable health care.
- Helping to make the neighborhood safe.
- Other: ____________________________

9. Think about your neighborhood and the changes that you’ve seen over the last five years. Which best describes what you’ve seen?

- The changes are mostly positive for me and my neighbors.
- The changes have been a mixed bag for me and my neighbors—some are good and some are bad.
- The changes have been mostly bad for me and my neighbors.
- There have been no changes in my neighborhood in the last five years.

We are partnering with the Richmond City Health Department to determine the needs in the community. Please answer the following health questions for RCHD.

10. Where do you usually go for routine medical care? (Choose 1).

- Doctor’s office
- Richmond health department clinic
- Other clinic
- No regular place
- Urgent care/drop in care
- Emergency room
- Other [please specify]:

11. What do the people in your household use (including adults and children) to help pay for health care? (Choose all that apply).

- Nothing, our household doesn’t have health insurance.
- Medicare
- Medicaid
- Private Insurance (e.g., Blue Cross and Blue Shield)
- Bon Secours Care Card
- VCC (Virginia Coordinated Care)
- Insurance through an employer
- Other [please specify]:
- I don’t know

12. What do you think keeps people in your community from getting health care? (Choose all that apply).

- Don’t have insurance
- Costs too much
- No ride or transportation problems
- Bad experiences with doctors or hospitals in the past
- Afraid of what they might find out
- No child care
- Not sure what it will be like
- Really hard to get there during the hours they are open
- Other [please specify]:

We are partnering with the Richmond City Health Department to determine the needs in the community. Please answer the following health questions for RCHD.
13. How much of a problem are these health concerns for you, your family, or other people who live in the Corridor?

- Cervical Cancer
  - Not at all
  - A little
  - A lot

- Stress
  - Not at all
  - A little
  - A lot

- HIV/AIDS
  - Not at all
  - A little
