PACIFIC MARINE MAMMAL CENTER ANNOUNCES NEW SUPPORT NETWORK

Orange County's Only Licensed Marine Mammal Hospital Launches First Women's Auxiliary

LAGUNA BEACH, CA -- Pacific Marine Mammal Center has launched its first women's auxiliary, The Ocean Club. The Ocean Club is a group of women from across the Orange County community with a passion for the mission of Pacific Marine Mammal Center.

The women of the Ocean Club will be the future of community support for PMMC's most important needs. From animal care and outreach to children's hospital programs, summer camps and teen labs. PMMC has been inspiring generations with the wonder of marine mammals and to be excellent stewards of the ocean environment and the Ocean Club commits to continuing this legacy.

Members of the Ocean Club will meet monthly as well as host fundraising events and social gatherings. Meeting dates and events will be at the discretion of the members.
Our marine mammal patients thank you and invite you to make a difference!
