ASAP IV DRIPS

BASIC HYDRATION \$75

WELLNESS DRIPS

Immunity Booster - \$125

An ounce of prevention gives you a pound of cure! In addition to living a balanced lifestyle, this IV can help boost your immune system with Vitamins B12, B-complex, Vitamin C, Zinc, and Glutathione.

Vitamin C - \$135

A higher dose of Vitamin C (5 grams) can provide your immune system with a quick boost to stay healthy and improve collagen production.

Higher doses upon request.

RECOVERY DRIPS

Hangover - \$115

Need a pick-me-up after a few too many? Includes fluid therapy for dehydration, a powerful anti-nausea medication (Zofran), and anti-inflammatory medication (Toradol) to help with muscle and joint aches.

ASAP Recovery - \$155

The ultimate "Reset" button you need after a night out! Everything the Hangover drip offers, plus B12 for an energy boost and Magnesium to put last night in the past. This drip is also best for simple headaches, migraines and GI issues.

ATHLETIC DRIPS

Refuel - \$100

IV fluid with ASAP Total B Blend (Vitamin B-Complex and B12), to get you rehydrated and ready to crush your next activity.

Performance Recovery - \$155

Our top shelf drip for athletes. A blend of Vitamin C, B-Complex, Calcium, Magnesium, Amino Acids and Toradol that can help you recover from an intense workout and provide your body the optimal building blocks for future performance.

ASAP ELITE DRIPS

ASAP Immune Recovery - \$155

When fighting a viral illness (cold/flu), you need to pull out all the stops. Includes all the natural anti-inflammatory additions from the Immunity Booster Drip, along with the anti-inflammatory medication Toradol, to quickly shake that bug and get you back on your feet.

ASAP Myer's Cocktail - \$155

Developed by John Myers in 1954, adapted by ASAP IVs in 2019. Myer's Cocktail is a classic blend of Vitamin C, ASAP Total B Blend, Calcium, and Magnesium needed to boost your system, improve wellness, and help you live your best life! Cheers to a IV cocktail that will leave you feeling great!

ASAP Works - \$250

Can't decide on any one blend of IV Vitamins? Have them all! Created by popular demand, the ASAP Works is just what it sounds. It's the absolute best our IV recovery solutions have to offer. Includes IV fluid, Vitamin C, Zinc, Glutathione, ASAP Total B Blend, Magnesium, Calcium, Amino Acids, and Toradol.

ASAP NAD+ DRIPS

Our NAD+ drips are administered in a 1-L bag of IV fluid. Our providers will safely monitor you over the duration of your infusion (1.5 - 2.5 hours). NAD+ is utilized in multiple cellular processes, especially with energy and ATP production. It can boost energy, reduce fatigue, help with recovery, and promotes healthy aging.

250 mg - \$250

Our lowest dose option for clients in need of shorter infusion time or those with NAD+ sensitivities.

500 mg - \$350

Our GOLD standard dosage for NAD+ IVs. Recommended for most clients for routine infusions.

750 mg - \$450

Our most elite dosage, for clients with specialized therapeutic needs or returning NAD+ clients.
