October
Morning Seat Work

Enjoy this FREE week of Kindergarten Seat Work

Included are 5 free days from this month’s seat work pack!
The activities I choose for these worksheets are Common Core aligned.
I know where my kindergarten students are at each month,
and I have targeted those skills.

Would you like the entire month of seat work?

I have Seat Work Packets available for each month that include 20 days.
Hop on over to my TpT shop to check them out!
The worksheets increase in difficulty as the year progresses.
If you don’t see a particular standard or skill addressed in this packet, it is most likely included in a different month’s seat work.
