Would you sleep under the stars to support Robes?

Join over 150 amazing volunteers for this year’s SleepOut. Sleep outdoors to raise money for Robes’ winter night shelter, so we can continue to offer London’s homeless warm beds in the harshest months.

**When:** Friday 29th November  
7pm to 7am  
**Where:** Southwark Cathedral

Turn over for details of how to register.
Be part of the SleepOut

By spending the night outdoors in November you’ll help us offer shelter, as well as support in training, accommodation and employment for those who need it most.

A little more about us:
- We rely solely on donations from churches, individuals, businesses and grants. We receive no funding
- 30 churches lend us their space for one night a week
- 1,000 incredible volunteers provide food, shelter, advice and support for 35 rough sleepers every night.
