IMPROVING ARTS EDUCATION
Act as a regional and national replicable model, designing a framework for our vision of improving traditional high school arts education.

AMPLIFYING VOICES
Engage our staff, youth, and partners in advocacy for the arts, further cementing our legitimacy as a prominent voice of arts in San Francisco.

VALUING ARTISTS
Empower our faculty as artists, creating an environment where they develop professionally and artistically that informs their own practice and what they offer YAX youth.

EMBODYING EXCELLENCE + EQUITY
Thrive as a premier, high quality multi-disciplinary arts organization for San Francisco public high school students.

BY ARTISTS, FOR ARTISTS
Develop a youth driven model by sponsoring programs and initiatives that constantly adapt to match artists’ expertise with youth interests.

GROWING RESOURCES
Embark on a diversity of experiences, skill sets, and resources within our organization’s structure to promote self-sufficient programs and activities.
