

The ALTAMIT 10 Year Limited Warranty

What the Warranty Covers

Alta Forest Products LLC Inc. warrants to the original end-user purchaser, and not any other purchaser or subsequent owner, that its Pre-Stained Wood Fence System (the ALTAMIT Fence System includes Fence Boards and Rails, and expressly excludes posts and any other component not manufactured by Alta Forest Products LLC (the "Fence System") will not structurally fail** in service due to rot, insect infestation, or fungal decay for a period of ten (10) years from date of purchase (the "Warranty Period"). The terms, "rot" and "fungal decay," as used in this warranty, mean attack by wood-destroying fungi that disintegrate the wood cell walls (**For purposes of this warranty, structural failure is defined as the inability of a given member to perform its intended function due to rot, insect infestation or fungal decay). If a valid warranty claim is received within the Warranty Period, Alta Forest Products LLC will, at their discretion, either: (1) provide a new or refurbished Fence System at no charge, to repair or replace those portions of the Fence System that structurally failed, or (2) refund the purchase price of any failed portion or portions of the Fence System. Any new or refurbished components of the Fence System provided by Alta Forest Products LLC under this warranty, will assume the remaining Warranty Period of the original Fence System.

What is Not Covered by This Limited Warranty

Damage from abnormal or improper use or design, accident, alteration, neglect, abuse, abrasion, air pollutants, improper service or installation**, or damage caused by flood, fire, or act of God is not covered by this limited warranty. Fungi associated with the natural "weathering" of wood is not included. "Weathering" of wood is not decay, fungal decay or rot of any type or definition (**For purposes of this warranty, your ALTAMIT fence system must be installed with 3 rails using galvanized or stainless fasteners).

"Weathering" of wood includes, but is not limited to, raised grain, splitting, checking, twisting, warping, shrinkage, swelling or any other physical properties of the wood.

Alta Forest Products LLC is not responsible for fence board/rails that have been milled, cut, split, sawn, bored, routed, or altered in any other way after manufacturing.

Alta Forest Products LLC is not responsible for rot, fungal decay or insect infestation damage if the ALTAMIT fence boards or rails are in contact with the ground.

Protect Your Rights

To protect your rights under this warranty, please return the completed registration form* to Alta Forest Products LLC, with proof of purchase within 30 days of purchase. Warranty coverage is not conditional upon the return of the registration form, provided the original owner can furnish proof that the ALTAMIT Fence System was supplied by Alta Forest Products LLC. A properly filled out warranty registration form completed by the original owner and proof of purchase is the best proof of coverage under this limited warranty.
