

MICKEY

—A Summer Group Exhibition

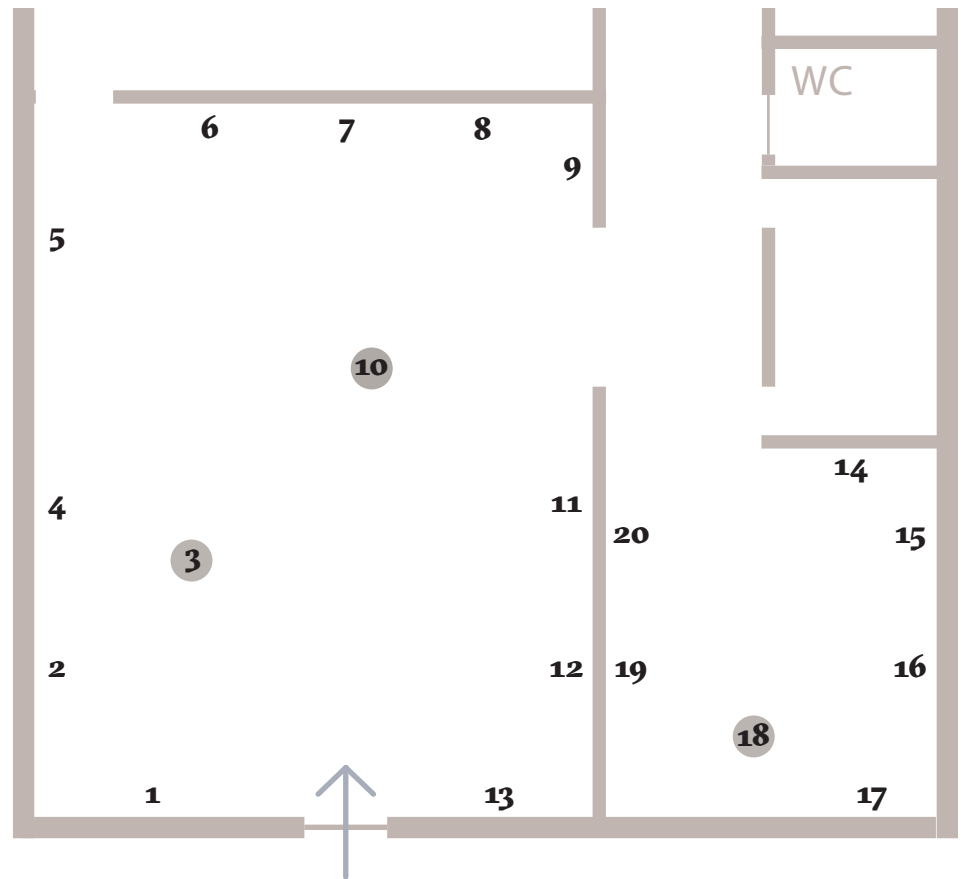

July 14 - September 10, 2022

MICKEY is pleased to present MICKEY, a summer group exhibition in celebration of 5 years of operation at the gallery.

MICKEY is an exhibition in a traditional model that we have not yet done in 5 years of programming, a summer group exhibition with no specific thematic or curatorial basis besides being associated with the gallery. Surveying from the entirety of the program and adding a couple new artists the exhibition features works by Marcel Alcalá, Rachel Bos, Michael Garland Clifford, Bailey Connolly & Isabelle Frances McGuire, Michelle Grabner, Paul Heyer, Leonardo Kaplan, Michael Madrigali, Vanessa Maltese, Zach Meisner, Ryan Nault, Emma Pryde, Emma Robbins, Nick Schutzenhofer, Chloe Seibert, Joe W. Speier, Amy Stober, Neal Vandenbergh, and Kevin Weil.
