ABOUT JCEO FOOD SERVICES

FOOD SERVICES

JCEO's Food Services program distributes food to vulnerable, low-income populations with limited access to food in our community.

OUR MISSION

JCEO's mission is to provide resources and services that enhance people's dignity and self-reliance.

OPERATIONS

Food Services operates by (1) recovering local food and (2) farming fresh vegetables in our state-of-the-art greenhouses.

Beans, cucumbers, peas, peppers, tomatoes, and zucchini oh my! These are just a few of the things we grow in-house.

PANTRY HOURS AT VALCO
MONDAY - FRIDAY
7:30AM - 4:30PM

WHAT'S NEW?

In 2023, the Food Services program got a face-lift. Not only did the Valco Drive warehouse receive some much needed renovations, but Community Outreach Program staff moved to the location, increasing the quantity and quality of services provided there.

IT TAKES A VILLAGE

Every month, **more than 2,000** of our vulnerable neighbors receive JCEO-provided food through independently operated pantries across Clinton, Franklin, and St. Lawrence Counties.

8,122

People received help through the Food Services Program in 2023.

1,920

Children served weekly through the Summer Feeding program.

4,282

Individuals received food assistance at the on-site pantry in 2023.
