<u>MODULO's</u>	100
<u>Accessories</u>	

Signature
by MODULO

4

Some say diamonds are forever

However, we at Modulo believe that stone is genuinely timeless.

Our subtle accents and nuances of stone and wood designs will confer impeccable equilibrium to your personal spaces.

The indistinguishability to nature is truly breathtaking.

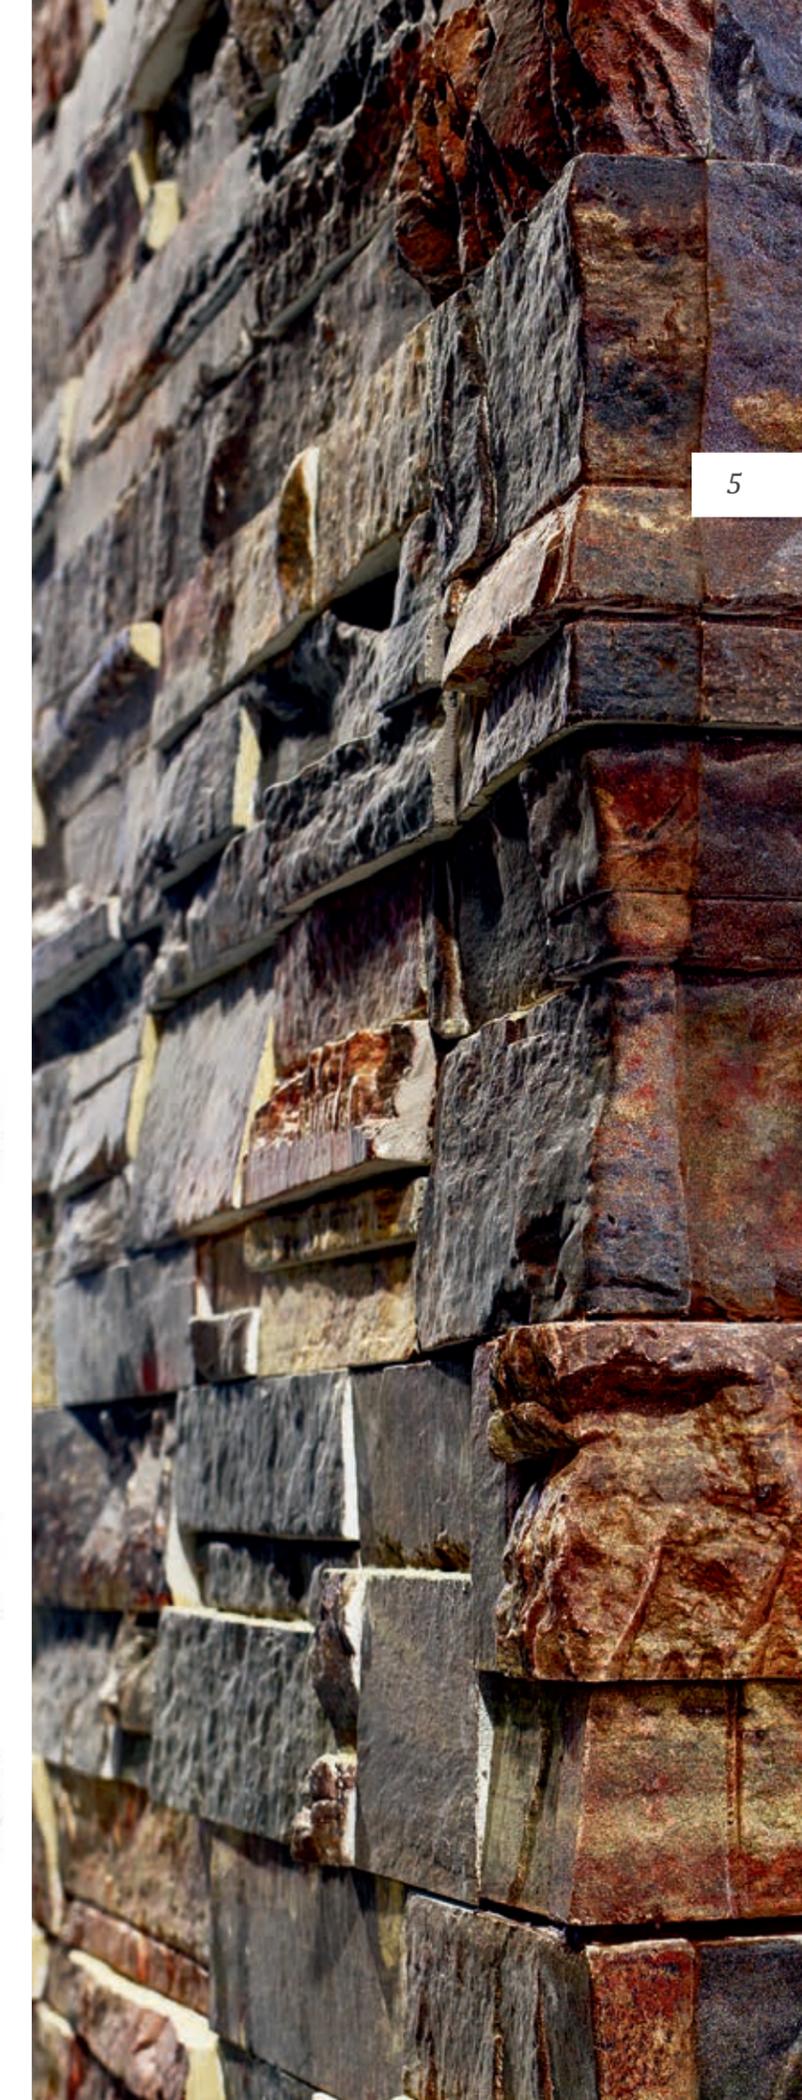

Signature

Blends artistry and science through the modern use of cutting edge technologies.

Our carefully designed stone claddings have the feel and aspect of unique natural stones which make your demanding vision of interior and exterior spaces complete.

EASY BLOCK

38

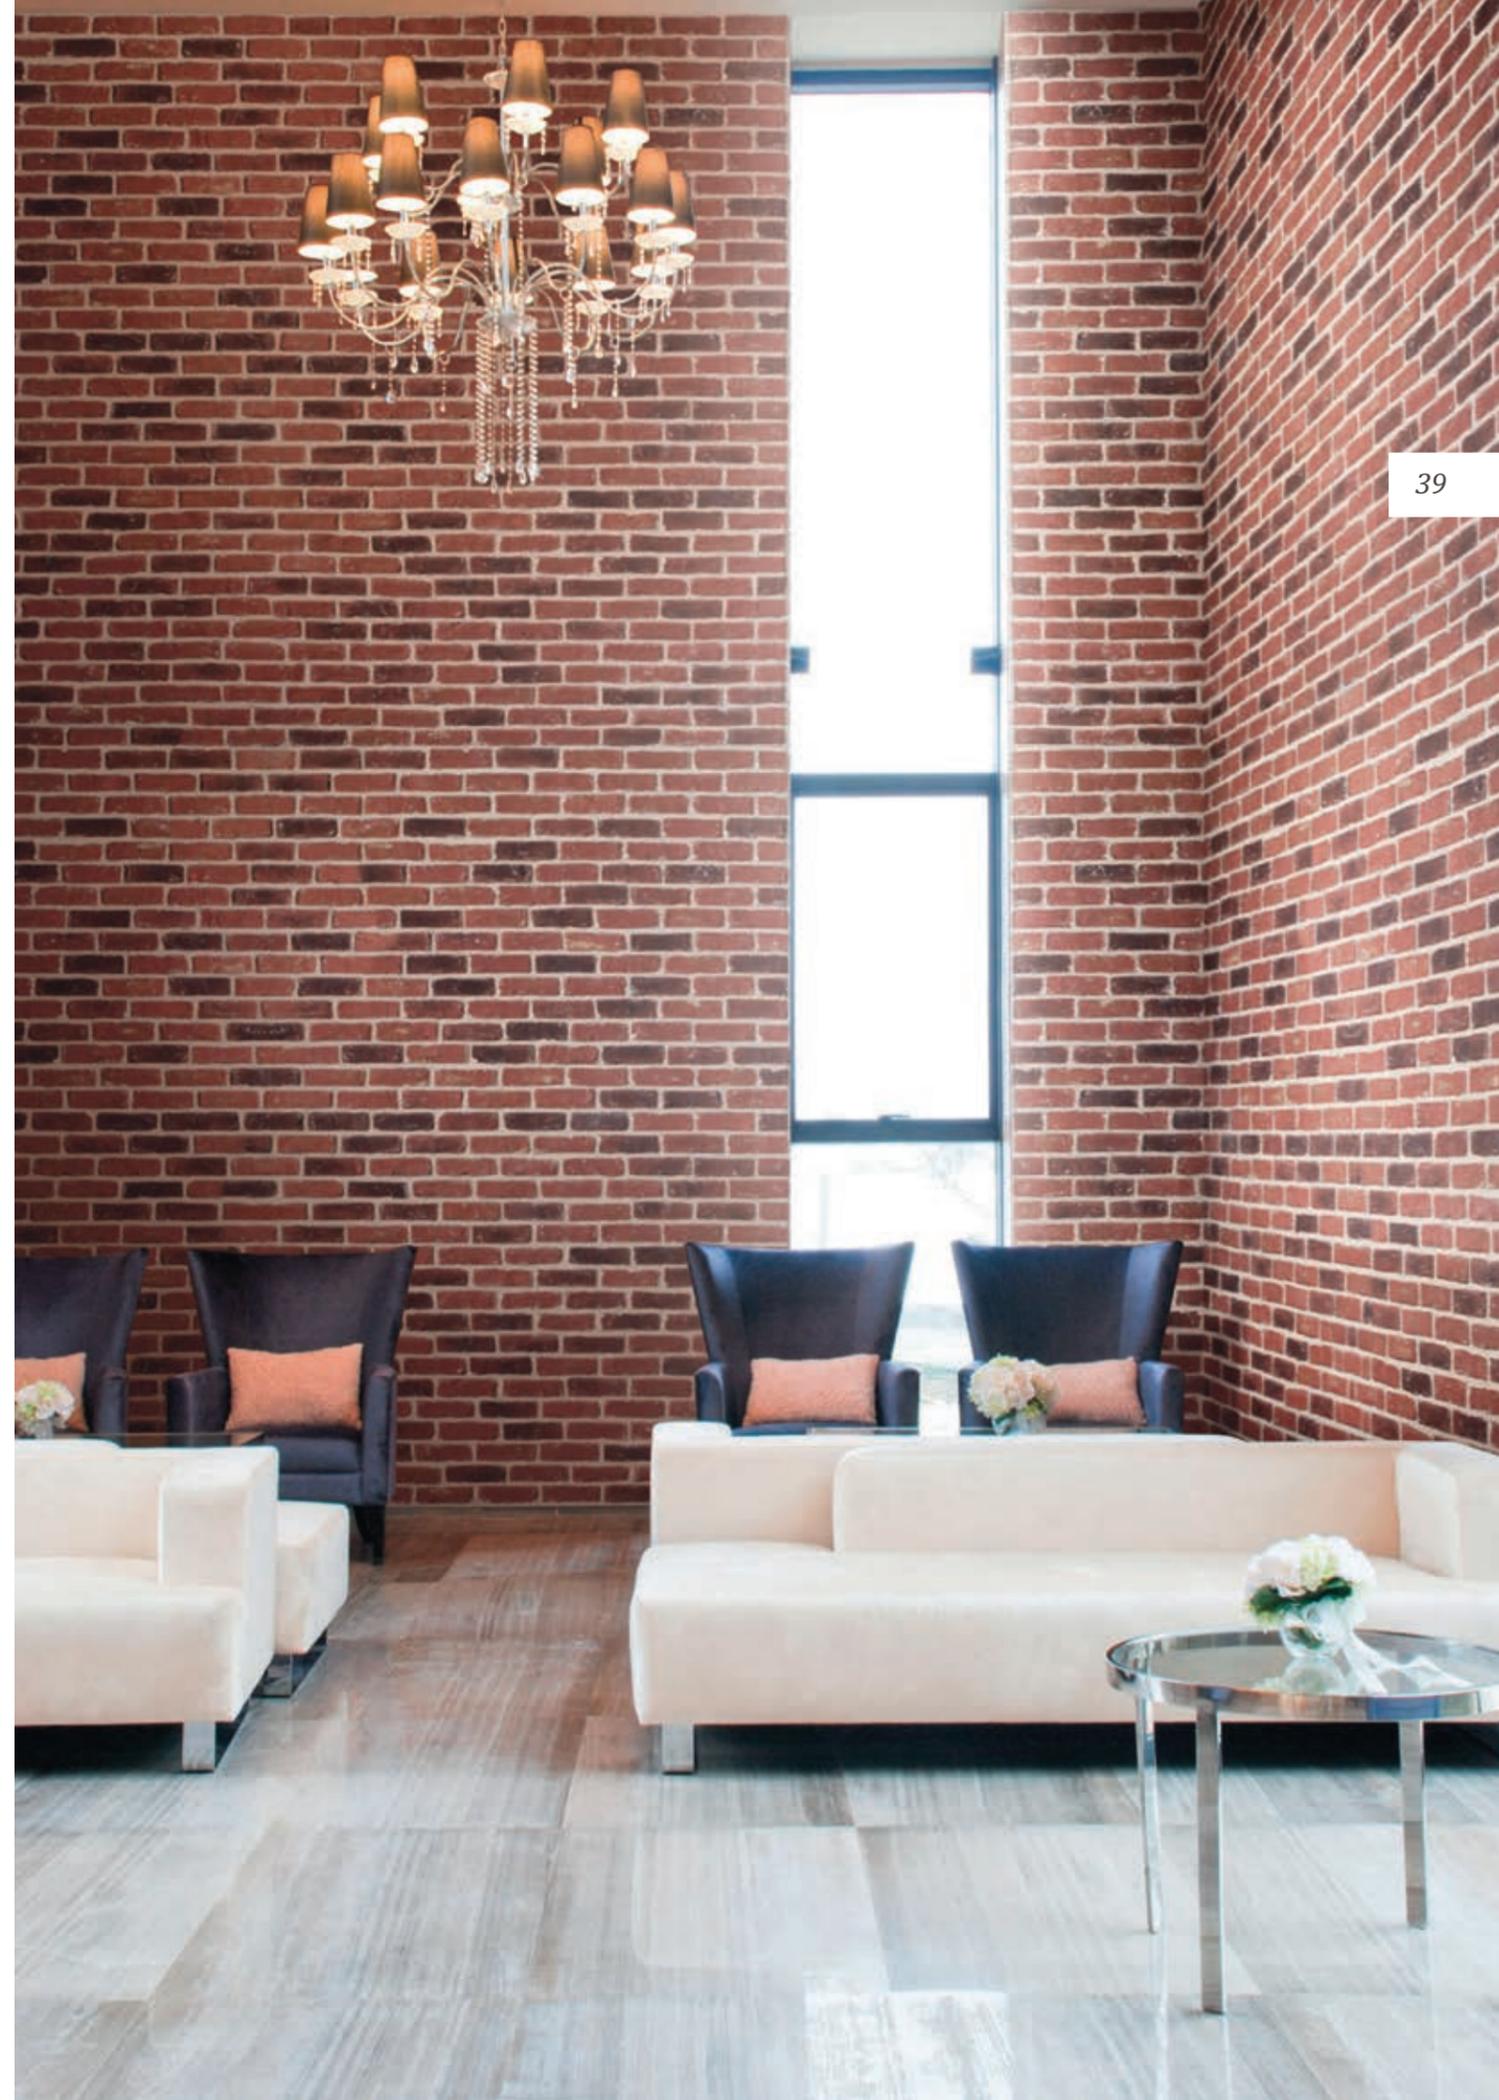

Designed for the non-expert handyman

It is never been easier to incorporate the latest trends into your home. These vintage bricks will help you create that New York loft style.

With its interlocking plates, the installation, for bricks at once, is done four times faster, without grout, yielding a professional result.

The MODULO protection spray is an oil repellent and also renders the MODULO stone veneers water resistant.

~9 m²/pcs

Joint à l'Ancienne
This Old Fashioned grout has been designed to perfectly recreate the look of aged mortar. This joint is a perfect finishing touch to give a wall the robust and timeless feel of along-standing wall.

~3-5 kg/m²

Joint Blanc
The MODULO grouts are available in a number of colors to highlight the texture and colors of the stones. Our joints are specially designed to harmonize with the MODULO line of stones.

~3-5 kg/m²

Joint Ton Pierre
MODULO's Ton Pierre joint is conceived to enhance the overall aspect of your future wall. The beige tones will give a Tuscany feel to your stones or bricks.

~3-5 kg/m²

With compliments,

MODULO Team
