

Majestic Park: Our Field of Dreams

Remember the movie Field of Dreams? Kevin Costner's character, Ray Kinsella, heard a voice that said "If you build it, he will come." Building the ball field brought the community together to watch players of yesteryear. In the end Ray gets to play ball one more time with his deceased father.

The Gardiner Parks & Recreation committee has heard a similar voice. "Rebuild it & they will come!" Don't you envision a community recreation space available for community events, programs, the town summer recreation program, senior programs & private space rental? A well maintained ball field available for local teams to play on? A playground filled with kids & parents enjoying new, fun equipment? An expanded skate park so even more people can enjoy it?

We do and we're asking for your help to donate for these improvement projects.

The New Paltz Community Foundation is providing 501(c)(3) support on behalf of GP&R's fundraising projects, so donations are tax deductible.

We thank you in advance for your generous donation!
