

CSG Monthly Update for TB Workshop Meeting- December, 2018

- 1) We continue to explore converting Gardiner's streetlights to LEDs, working to move forward with Community Solar campaign, and constructing our EV charging station.
- 2) We promoted the Gardiner Create Café at the Gardiner Library.
- 3) We continue to be part of the Climate Action Plan Institute, working toward creating an inventory for Gardiner's GHG emissions, setting targets to reduce emissions, and making plans to achieve these targets.
- 4) We are exploring a Climate Smart Gardiner Expo this Winter with speakers and vendors to educate the public on climate change and promote climate smart actions, such as composting, solar panels, electric cars, heat pumps, and home energy audits.
