

## CSG Monthly Update for October, 2018, Town Board Workshop Meeting

- 1) We had two tables representing CSG at Gardiner Day. One table was to generally educate the public about ways to be more climate smart in their lives and the other table was to promote EVs, as it was National Drive Electric Week.
- 2) We coordinated recycling for Gardiner Day, including bottle and can proceeds to be donated to children in need, as well as mixed recycling.
- 3) We will be assisting with recycling at the Gardiner Pumpkin Walk.
- 4) We are working with the Town of Shawangunk to promote the CSC program, as their TB considers whether to become a CSC.
- 5) We continue to explore converting Gardiner's streetlights to LEDs, working to move forward with Community Solar campaign, and constructing our EV charging station.
- 6) We continue to be part of the Climate Action Plan Institute, working toward creating an inventory for Gardiner's GHG emissions, setting targets to reduce emissions, and making plans to achieve these targets.
- 7) We will have a CSG table at the upcoming Wallkill River Festival on 10/6 to educate the public on ways to be climate smart in their lives.
