

TRANSFERRING ACADEMIC CREDIT

When it comes to transferring academic credit, we've got you covered. The OVU Registrar ultimately determines what coursework will transfer. After you apply and submit transcripts from all previous colleges/universities, your file will then be given to the Registrar for transfer credit review and approval. You will then be notified of the results by your Admissions Counselor.

SCHOLARSHIPS

In addition to numerous OVU academic scholarships available to transfer students, you'll want to check out special scholarships that may apply to transfer students and residents of specific geographic locations. For additional details see an Admissions Counselor today.
