Maine suffragists adopted the daffodil as their flower symbol as they fought for women’s right to vote over a century ago. As a tribute to their historic victory, we’re encouraging everyone around the state to plant daffodil bulbs this fall before the frost, and join a joyful celebration in the spring when they bloom. Together we will create a beautiful, living and renewable memorial to the suffragists and the ideal of equality for all.

### Giving Levels and Benefits

<table>
<thead>
<tr>
<th>Level</th>
