

SEED TREATERS

10,000+ UNITS

BULK SEED SYSTEMS

Want to treat more seed, faster, with meticulous precision? Go bulk with UAS.

Ideal for large-scale operations, bulk treaters (quite literally) roll efficiency, accuracy and ease into one highly innovative system.

WHY GO BULK WITH UAS?

**EXPERT SERVICE
& 24/7 SUPPORT**

Constant training on equipment operation and calibration.

**CUSTOM CAD
DESIGNS**

We'll measure, sketch and create custom designs to help you maximize your space.

**RESOURCEFUL
APPROACH**

We'll utilize existing equipment when possible. No upselling or badgering.

**100+ COMBINED YEARS
OF EXPERIENCE**

Treatment. Treaters. Everything in between. We know the seed industry like the back of our hand.
