(The only exception to our refund policy would be if the location where reservations are booked is shut down or hours altered due to local health ordinances. In this case, reservations for affected time slots would be refunded upon request.)

- All tables are located inside at all locations. **There is no outdoor seating.**

Larger Group Information:

We do have a Miracle Private Event Space this year that can handle large groups (minimum spend required). Please email events@miraclepopupkc.com for information.

If you are trying to book larger group reservations at Miracle on the Plaza, Miracle at Town Center or Miracle at Power & Light, you must purchase reservations to cover the number of people in your party and we cannot guarantee that all tables will be together. Resy only allows one table reservation per person during a reserved time, so if you need multiple reservations, it will require multiple bookings. **We will do our best to put the reservations close together but we will not move tables together for any reservation that is booked separately.**

Children Information:

- **All locations are 21 and older beginning at 6:00 PM.** If you have a reservation at 4:00, 4:15 or 4:30 – kids are allowed until you are finished with your reservation time.
- All children over the age of 2 years old must be counted in the reservation number.

Helpful Hints:

- If you are looking for a reservation for a certain size party and it is not available, please refer to the location table capacities information above and make sure that you are entering the correct size party for that location. You are reserving a table, so we only reserve for the number of seats at the table.
- If you try to book a table and there is no availability for the date you want, please hit the “Notify Me” button in Resy. This will notify you if a reservation opens for the day you selected.
