2:30pm – 2:40pm Coffee break

2:40pm – 4:00pm Breakaway Sessions - Working Groups
Participants will be divided into three working groups, with a moderator and rapporteur assigned to each group. Participants will be asked to brainstorm and come up with recommendations for future action/dialogues on the following topics:

- **Group 1: Financing** - This group will discuss how to enhance the coordination in financing to increase investment efficiencies and leverage new funders or sources of funding.

- **Group 2: Planning for access in R&D stages** - This group will discuss how to build strategic planning for access and delivery in all the stages of R&D.

- **Group 3: Preparedness for access and delivery** - This group will discuss how to address key and critical issues and barriers in access and delivery preparedness in country and regional levels.

4:00pm – 5:15pm **Final Session: The way forward**

**Reflections shared by following discussants:**

- **Suerie Moon**, Director of Research, Graduate Institute, Switzerland
- **Agus Purwadianto**, Head of Clinical Advisory Council, Ministry of Health, Indonesia
- **Balram Bhargava**, Director General, Indian Council of Medical Research (ICMR) *(TBC)*
- **BT Slingsby**, CEO & Executive Director, GHIT Fund
- **Tenu Avafia**, Team Leader, Human Rights, Key Populations, Health Technology Innovation and Access, UNDP
- **Closing remarks from Sumi Manabu**, Director, Global Health Policy Division, Japan Ministry of Foreign Affairs (MOFA)

**Informal Reception & Gathering - 5:30pm - 7:00pm**
