The Global Livingston Institute is celebrating its 11th anniversary!

GLI's 11th Year of Listening, Thinking & Acting!

Sponsorship Opportunities

Beginning on October 1st, 2020, the GLI will kick off a series of 11 small gatherings to celebrate 11 years over the period of 11 days.

We are going to celebrate in an unprecedented way during this unprecedented time. Choose 1 of our 11 intimate, unique and fun events to attend (stay tuned for more details)! Here you will learn about the Global Livingston Institute, meet our team and board members, and be a part of global conversations around community development.

Join us as we celebrate 11 years of listening, thinking and acting in East Africa!
It feels like a lifetime ago that we celebrated our 10 year anniversary with you last year at the Bluebird Theater. As the world has changed since then, so has GLI. We can't wait to share with you what we've been up to, how we're evolving, and how we plan to provide as much support as possible to the global community we serve! Since we last saw you, we...

- Hosted a World AIDS Day Celebration in December 2019 in Hoima, Uganda and tested thousands of people for HIV for free.
- Took 40+ students and community leaders to Uganda and Rwanda for cultural exchange and academic programs.
- Produced 3 concerts in Rwanda alongside the Tour du Rwanda for 25,000+ people and offered free health screenings to thousands.
- Supported the Lake Bunyonyi community with critical services during Uganda’s COVID lockdown.
- Hosted a virtual concert with musicians from the United States, Rwanda, and Uganda for thousands of viewers with a positive message of unity in challenging times.
- Brought together nearly 80 students from all over the United States, Uganda, and Rwanda for our first ever virtual global scholars fellowship program.
- Provided 205 farmers who are former child soldiers with support to continue their farming efforts in Northern Uganda.
- Worked on a model to repurpose the plastic we are recycling to protective equipment for the healthcare community.

And we aren't slowing down. We are getting better, our impact is growing, and we are realizing the importance of our mission more than ever before!
2020 Sponsorship Levels

This serves as our one and only fundraising event of the year! We hope to make it our most successful event yet in order to position the GLI for 2021.

With $25,111 you are a Virtual GLI Global Sponsor!
Almost all of our funding goes back to support the local communities where we work and helps to employ 40 locals full time with meaningful community development work.

With $11,111 you are a Listen. Think. Act. Sponsor!
Some of our funding goes to support the 32 academic partnerships that we have in place that support our public health, education and conservation research.

With $5,111 you are a Farm to Table Sponsor!
A portion of our community funding supports our agricultural initiatives in Northern Uganda where we have over 200 former child soldiers engaged in a workforce development initiative to get their produce to the marketplace and increase their incomes!

With $2,511 you are a Keep Bunyonyi Blue Sponsor!
Funding goes to support our growing solar initiatives around the lake to provide families with access to electricity 24 hours a day and assists us with our recycling efforts where each month we take about one ton of plastic out of the environment!

With $511 you are a Global Classroom Sponsor!
And that is about what it costs for us to engage one student in East Africa or the US in our virtual five week community development fellowship as we teach best practices around what it truly means to Listen. Think. Act.

And with $111 Webale!
Or thank you for believing in the work that we do! Your support helps us to continue to build a global classroom experience from Kampala to Colorado that transforms communities and the way we work together!
