Assignment of space / eligibility for exhibiting
For the exhibit application to be accepted, only products and services in direct connection to the topics of the congress are allowed to be presented.

Exhibit space will be assigned on a ‘first come – first served’ basis by EMSP and according to availability.

Orders for technical installations and exhibition services are only accepted when confirmed in writing.

The exhibition organizer reserves the right to make changes of exhibit space after consulting the exhibitor involved.

Cancellation
If an exhibit space confirmed in writing is canceled, rental fee shall apply.

Stand construction
Maximum building height 3 meters. Any stand construction exceeding this height must be submitted to Ms. Ciudad for approval.

No stand cleaning/waste disposal fee is charged.

House rules
The house rules of the exhibition venue do apply and are binding to all exhibitors. Whoever does not follow these regulations will be excluded from the exhibition after a first warning. Copies of these regulations can be provided upon request.

Material safety and fire certificates of all stand material must be available for controls during build-up.

Smoking is prohibited in the building.

Damages / safety / Insurance
Exhibitors are entirely liable for damages to third parties’ stands, properties, health (be injury or death). To this extent EMSP and the congress venue are to be considered third parties. Exhibitor’s liabilities are extended to their personnel and / or other people working under their control. Since neither EMSP and its staff or suppliers nor the congress venue are liable for any damages and / or loss suffered by the exhibitors during the exhibition, including installation and dismantling – it is strongly recommended to arrange insurance accordingly. As there will be no guarding of the exhibition area during the official exhibition opening hours, all exhibits have to be staffed with at least one person. The conference rooms and exhibition area of the congress venue will not be locked at night, and no extra security service for the exhibition is planned.

Promotional activities
All stand activities and displays must reflect the character of the congress and are subject to review by EMSP. Approval requests have to be sent in writing to the organizers.

Outside the stand surface promotional activities are not allowed.
Serving of hot meals has to be authorized by the organizer. Preparation of hot meals at the booth are (not) allowed.

**Force majeure**
If the exhibition has to be cancelled or changed due to unforeseen events or general “force majeure”, the organizer cannot be claimed for any compensation.

Any matters not specifically covered by the preceding rules shall be subject solely to the decision of the organizer. These rules may be amended at any time by the organizer and all amendments so made shall be equally binding on exhibitors with the foregoing rules and regulations.
