Section 2. The Association shall have two classes of voting membership:

(a) Class A Members shall be all Owners, with the exception of the Developer, and shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

(b) The Class B Member shall be the Developer and shall be entitled to three

(3) votes for each Lot owned (based on the total number of Lots planned). The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs first:

(i) One Hundred Twenty (120) days after date at which 90% of the total number of Lots planned are conveyed to Lot owners other than the Developer; or

Section 3. The affairs of the Association shall initially be managed by a Board of Directors as follows:

(a) During the Class B membership, the Board of Directors will consist of at least one (1) Director who shall be appointed by Developer. (c) In the event of death, resignation, or removal of a Director, his successor shall be selected by the remaining members of the Board of Directors and shall serve for the unexpired term of his predecessor.

ARTICLE V COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Developer, for each Lot owned within the property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

(a) Annual assessments or charges as described herein.

(b) Special assessments for capital improvements, such assessments to be established and collected as hereinafter provided.

(c) Specific assessments, such assessments to be established and collected as hereinafter provided.

The assessments, together with interest, costs and attorney's fees actually incurred collecting assessments, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Property at the time the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association may be exclusively used to promote the recreation, health, safety and welfare of the residents in the Property, for the improvement and maintenance of Common Area, to meet the expenses of the Association (which shall adopt an annual operating budget), to pay any amounts for which the Association is liable under the Master Covenants. The Board of Directors is expressly authorized to levy assessments on behalf of the Association.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum assessment shall be Four Hundred and Twenty and no/100s (\$420.00) dollars per year per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than Fifteen (15%) Percent above the maximum assessment for the previous year without a vote of the Membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased by a majority vote of the Members obligated to pay such assessment or with the written approval of Members entitled to cast a majority of the total number of authorized votes of Members obligated to pay such assessment.

(c) Certain fixed costs, anticipated or unanticipated, or increases therein, for insurance, taxes, recycling or waste disposal may be passed through to the Members by permitting an automatic increase in the maximum assessment which reflects those increases. The Board of Directors is expressly authorized to obtain appropriate insurance coverage on behalf of the Association.

(d) Notwithstanding the provisions contained herein with respect to the maximum annual assessment or otherwise, a special assessment consisting of a working capital contribution for the initial two (2) months of the Association's operation equal to a two (2) months estimated assessment for each Lot shall be assessed. Each Lot's share of the working capital fund shall be collected and transferred to the Association at the time of closing of the sale of each Lot and maintained in a segregated account for the use and benefit of the Association. Amounts paid into the working capital fund are not to be construed as advance payment of regular assessments. (The purpose of the fund is to insure that the Association will have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary or desirable.)

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy in any assessment year a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of the capital improvements upon the Common Areas, including fixtures of personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the vote of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Specific Assessments. The Association shall have the power to specifically assess a Lot or Lots for expenses of the Association which benefit less than all of the Lots. Such specific assessments shall be assessed equitably among all of the Lots which have benefited according to the benefit received, as determined by the Association in its sole discretion.

Section 6. Notice and Quorum for Any Action Authorized Under Sections 3, 4 or 5. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3, 4 or 5 shall be sent to all Members not less than twenty one (21) days in advance of the meeting. Such notice shall include the date, time, place and purpose of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast Sixty Seven (67%) Percent of all the votes of each class of Membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the second meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 8. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to each Lot upon the conveyance of each Lot by the Declarant or Builder to an Owner. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 9. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of Ten Percent (10%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Exempt Property. The following Property subject to this Declaration shall be exempt from the assessments, charges and liens created herein:

- (a) All properties to the extent of any easement or any interest therein dedicated and accepted by the local public authority and devoted to public use;
- (b) All Common Areas;
- (c) All properties exempt from taxation by State and Local governments upon the terms and to the extent of such legal exemption;

Section 12. Exemption for Assessments for Property Owned by Developer or Builder. The Developer and Builders may be exempt from annual assessments on unoccupied Lots only during the Class B membership provided and for so long as Developer and Builders shall fund all Association operating deficits. A Lot initially occupied or conveyed to an Owner other than the Developer and Builders shall be fully assessed. The obligation to fund budget deficits is a lien against all the land owned by the Developer and Builders, as appropriate, included within the Property.

ARTICLE VI ARCHITECTURAL CONTROL

Section 1. The Architectural Review Board. An Architectural Review Board consisting of one (1) or more persons shall be appointed by the Developer. At such time as the Developer no longer has an interest in developing the Property, vacancies in the Architectural Review Board shall be filled by a majority vote of the remaining members of the Board.

Section 2. Purpose. The Architectural Review Board shall regulate the external design, appearance, use, location and maintenance of the Property and of the improvements thereon in such a manner as to preserve and enhance values and to maintain a harmonious relationship among structures and the natural vegetation and topography. The Architectural Review Board shall promulgate standards and guidelines appropriate to the character of each increment, phase, or parcel of the Property. Such standards and guidelines shall be generally

distributed among the Members.

Section 3. Conditions. No improvements, alterations, repairs, change of paint colors, excavations, changes in grade, landscaping alterations, or other work which in any way alters the exterior of any Property or the improvements located thereon from its natural or improved state existing on the date such Property was first conveyed in fee by the Builder to an Owner or to the Association shall be made or done without the prior written approval of the Architectural Review Board, except as otherwise expressly provided in this Declaration. No building, fence, wall, residence, satellite dish or signage shall be commenced, erected, maintained, improved, altered, made, or done without the prior written approval of the Architectural Review Board.

Section 4. Procedures. In the event the Board fails to approve, modify, or disapprove in writing an application within sixty (60) days after plans and specifications in writing have been submitted to it, in accordance with adopted procedures, approval will be deemed granted. At least a majority of the Members of the Architectural Review Board, either in person or by telephone conference call, shall constitute a quorum. A majority vote of the Members of the Architectural Review Board shall be required for Architectural Review Board action.

ARTICLE VII USE OF PROPERTY

Section 1. Protective Covenants.

(a) Nuisances. No nuisance shall be permitted to exist or operate upon any Property so as to be detrimental to any other Property in the vicinity thereof or to its occupants. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood. Child and adult day care and outdoor clothes lines are expressly prohibited under this section. Amateur radio and marine base station antennas are prohibited.

(b) Restriction on Further Subdivision. No Lot shall be further subdivided or separated into smaller Lots by any Owner; provided that this prohibition shall not prohibit deeds of correction, deeds to resolve boundary line disputes and similar corrective instruments.

(c) Other Restrictions. The Architectural Review Board shall adopt general rules, including but not limited rules to regulate animals, satellite dishes, antennas, signs, storage and use of recreational vehicles, storage and use of machinery, use of outdoor drying lines, trash containers, fencing, yard ornamentation, planting, maintenance and removal of vegetation on the Property. The following shall also apply to all Lots:

(i) All roof vents shall be painted a color to match the color of the roof. Roof shingles, if replaced, must be the same color and style as the shingles replaced unless otherwise approved by the Architectural Review Board.

(ii) All chimneys shall be enclosed in a chimney chase.

(iii) All vinyl siding shall be of a gauge of at least .040.

(iv) Pets shall be leashed at all times and shall not be allowed to roam free in the neighborhood. Owners shall remove their pets' waste from Common Areas and Lots. Owners who do not remove their pets waste from Common Areas and Lots shall be subject to fines which shall be collectible against the Owner as a specific assessment.

(v) All dwellings shall have a minimum square footage of 1,200 square feet.

(vi) No sign of any kind shall be erected by an Owner or Occupant within the Subdivision without the prior written consent of the ARB. Notwithstanding the

foregoing, the Board and the Declarant shall have the right to erect reasonable and appropriate signs, i.e. Lot Number signs, "For Sale" or "For Rent" signs on any Lot in its sole discretion. Owner's may display "For Sale" or "For Rent" signs within a structure on their Lot.

(vii) No on street parking or parking on unpaved portions of any Lot shall be allowed. Without prior written consent from the Architectural Review Board, no commercial vehicle, trailer, motor home, recreational vehicle, camper, truck with a camper top, boat, boat trailer or like equipment, shall be left in the street, Owner's yard, or Owner's driveway for longer than forty eight (48) hours. Any such vehicles parked in violation of this covenant shall be towed by the Association at the Owner's expense.

(viii) The erection, alteration or movement of fencing upon any Lot may not be done without the prior written consent of the Architectural Review Board as set forth herein.

(ix) No structure, shed, tent, shack, carport, garage, barn, or other outbuilding shall be erected by any Owner or Occupant, other than the Declarant, on any portion of the Property, at any time, either temporarily or permanently, without the prior written approval of the Board.

(x) Satellite dishes, antenna or other device for the transmission or reception of television signals, radio signals or any form of electromagnetic wave or radiation shall be limited to eighteen (18") inches in diameter and shall be roof mounted only on the side or back of a house.

(xi) All garbage containers, hot tubs, spas, play equipment, swing sets, and other related equipment shall be located or screened so as to be concealed from view of neighboring streets and property without prior written consent from the Architectural Review Board.

(d) Exceptions. The Association may issue variances from any covenant or requirement expressed or implied by this Article or set forth in any restrictive covenants or rules and regulations promulgated pursuant to this Declaration or any supplementary declaration.

Section 2. Maintenance. To the extent that exterior maintenance is not provided for in this Declaration and any supplementary declaration, each Owner shall keep all Lots owned by him, and all improvements therein or thereon, in good order and repair and free of debris, including but not limited to the seeding, watering and mowing of all lawns, the pruning and cutting of all trees and shrubbery, and the painting or other appropriate external care of all buildings and other improvements, all in a manner and with such frequency as is consistent with good property management.

In the event an Owner of any Lot shall fail to maintain said Lot and the improvements situated thereon, as provided herein, the Association, after notice to the Owner as provided in the By-Laws and approval of the Board of Directors, shall have the right to enter upon said Lot to correct drainage and to repair, maintain and restore the Lot and the exterior of the buildings and other improvements erected thereon. All costs related to such correction, repair, or restoration shall become a special maintenance assessment upon such Lot.

ARTICLE VIII GENERAL PROVISIONS

Section 1. Enforcement. The Association or any Owner shall have the right to enforce, by any proceeding at law or in equity, all provisions, restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, including rules and regulations promulgated pursuant to the authority set forth herein, the Articles of Incorporation, or the By-Laws of the Association. Owners shall be liable for costs and expenses incurred by the Association as a result of acts or omissions of such Owner or such Owner's tenants, agents, employees, invitees, guests and household members in failing to comply with rules or regulations of the Association or other terms and provisions of this

Declaration. Said costs and expenses shall include attorney's fees actually incurred. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The Association, through its Board of Directors, shall also have the authority and power to levy fines in amounts as reasonably determined by the Association for the failure to comply with rules and regulations of the Association or other terms and provisions of this Declaration. Said fines shall be collected in the same manner as assessments and shall likewise constitute a lien upon the Lot of such Owner who has failed to comply or whose tenants, agents, employees, invitees, guests and household members have failed to comply.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions, which shall remain in full force and effect.

Section 3. Amendment. Material amendments or extraordinary actions must be approved by Members entitled to cast at least Sixty Seven (67%) Percent of the votes of Members present, in person or by proxy, and voting at any meeting of the Association held for such purpose. (iv) Abandoning, partitioning, encumbering, mortgaging, conveying or selling or otherwise transferring or relocating the boundaries of Common Areas (except for granting easements which are not inconsistent or which do not interfere with the intended Common Area use, dedicating Common area as required by a public authority, limited boundary line adjustments made in accordance with the provisions of this Declaration, or transferring Common Area pursuant to a merger or consolidation with a non-profit entity formed for purposes similar to the subject Association);

(v) Using insurance proceeds for purposes other than construction or repair of the insured improvements; or

Section 4.
