Minutes
Welcome and announcements
Group was welcomed and agenda reviewed. Shared new co-chair information as well as new members.

ASH Alumni Network Discussion
An overview of the ASH Alumni Network conception was shared with the group. Goal is to confirm some details around the network to take back to HHSC. Group reviewed thoughts on what the primary purpose of the network should be. Group then shared suggestions for what the network would look like. Then they moved on to suggestions for sustaining the group over time. The group was then asked to provide any other examples they know of in which we can learn from in creating this network.

Close and next steps
Reviewed next meeting, which is an extended session. Shared part of the expected agenda, which will be focused on expanding services.
