IDG's Computerworld Names Liquidnet to 2015 List of 100 Best Places to Work in IT

New York, 22 June 2015 – IDG's Computerworld announced Liquidnet as a 2015 Best Places to Work in IT. This is the second year in a row that Liquidnet has been recognized as one of 100 top organizations that challenge their IT staffs while providing great benefits and compensation. The list is compiled based on a comprehensive questionnaire regarding company offerings in categories such as benefits, career development, training and retention. In addition, Computerworld conducts extensive surveys of IT workers, and their responses factor heavily in determining the rankings.

ABOUT LIQUIDNET

Liquidnet is the global institutional trading network where more than 930 of the world's top asset managers and other like-minded investors come to execute their large trades with maximum anonymity and minimum market impact. Liquidnet approaches every market with the same bold vision to provide a better, more efficient way to trade on a massive scale. It is this focus on size, combined with the strength of its network, disruptive technology, and commitment to transparency, that is revolutionizing the way equities and corporate bonds are traded.
