# Evolution Report

2018 – 2022

GATHERING A GLOBAL COMMUNITY OF DEDICATED  
MYSTICAL PRACTITIONERS FOR THE LOVING EVOLUTION  
OF CHRISTIANITY AND THE WORLD.

INTEGRAL CHRISTIAN NETWORK

We are a vital, online global community  
dedicated to the loving evolution of  
Christianity and the world.

We gather together in loving support for  
one another in authentic community.

We find our place in the beloved community  
as each of us contributes the uniqueness of  
our creative gifts and passions.

We discover through our shared mystical  
practice new ways of being together that  
can transform us, each other, and the world.

**DEAR FRIENDS OF ICN,**

The Integral Christian Network exists for no small reason. We are for the loving evolution of Christianity and the world! Our purpose could hardly be more urgent and significant for our imperiled world today.

Of the world's 7 billion people, 84 percent identify with some form of religion. We believe if every spiritual tradition and religion evolved to its highest level, the world would be transformed. As Christians, we begin with ourselves; that is the reason ICN exists. We are gathering a global community of dedicated mystical, integral Christian practitioners.

In Mark 16:15 we hear what is called Jesus' Great Commission — "Go out into the world and proclaim the good news to all creation." The

good news is this—people of every spiritual tradition and none, are all made in the divine image of God. Loved by God. And, in Christian imagery, living like Jesus.

Therefore, we support the health and evolution of all religions and spiritual paths. We invite people everywhere to join us in this great, global, evolutionary transformation from whatever religion or spiritual path they may follow.

**IN LOVE AND LIGHT, PAUL**

**DEAR ICN COMMUNITY,**

Every day I find myself marveling. I am filled with the vitality of the life of spirit moving in our community these days. I am struck with profound gratitude for the astounding ways that we are coming together with such depth and love.

And the stories of the way people are being transformed, some of which you'll read below, are almost unbelievable to me. Will people think we made these up?

And yet, this is what is happening among us. We are seeing the loving spirit of God alive in our midst, flowing with great care, support, and transformation.

We have come a long way in the last three years. And we are still learning. New ways of gathering and practicing together are arising in our community, from our midst. From you all. Our continued evolution will happen through each one of us participating in the work, painting the tapestry together with our unique and beautiful colors, co-creating the elegant and generous ways of being that are being called forth.

That fills me with such joy! Thank you all for being a part of this beautiful community.

**IN WHOLENESS AND LOVE, LUKE**

WeSpace groups are communities of mystical practice. Members initially join for 8 sessions over a four-month span. Two-thirds of the groups choose to continue as ongoing communities of regular practice providing loving support to one another. WeSpace groups are sacred places of transformation.

This group has been meeting since September, 2020 and consists of members from the UK, Germany, South Africa, Cameroon, and the U.S.

**42** WESPACE

**400** PEOPLE

WHAT ICN HAS  
ACCOMPLISHED IN  
3 SHORT YEARS:

**28** GROUPS  
continue to meet with  
**200** participants

German-speaking

with multiple  
WeSpace groups.

A Singapore based  
affiliate organization  
has recently begun  
to meet.

ICN IS GRATEFUL TO ALL THE PARTICIPANTS WHO HAVE WRITTEN  
AS WITNESSES TO THE PROFOUND IMPACT THEIR WESPACE GROUPS HAVE  
MADE IN THEIR LIVES. HERE ARE A FEW OF THEIR VOICES:

Never have I been in  
such an awesome, mystical,  
caring, and loving group.  
The WeSpace is the only  
place I know where I feel and  
know the union of the divine  
with our humanity. I am so  
grateful I said yes to the call!

ANNETTE, CHICAGO, IL

In short, this praxis has been so  
vital to who I am that I want to sing  
it from the mountaintops

TIM, CALIFORNIA

I am beginning to understand  
how powerful shared love,  
encouragement, compassion  
and understanding can be,  
awakening the potential within  
us all and inspiring us to reach  
out and have the courage  
to listen to what our deepest  
self is whispering to us.

ANN, ENGLAND

I would like you all to know that last night's gathering  
has had wondrous effect for me today. I have participated in  
several online groups — each with a contemplative base,  
some more intimate than others. WeSpace has had a lasting,  
transferable-to-daily-living effect I have not experienced  
before. All day long I've sensed this underlying current, and  
anytime I wished to be more intentional, I've been able to enter  
our group bond more deeply and with great ease.

ANNIE. AUSTIN, TX

After every group meeting, I have a physical,  
embodied elevation of spirit and energy

CHRIS, KANSAS CITY, KS

I could never have  
dared hope that  
something like a  
WeSpace would be  
waiting for me—it  
would have seemed  
like wishful fantasy.  
I'd felt alone in  
my experiences for  
such a long time.

FRONE, RALEIGH, NC

I speak for myself when I say that  
I have only just begun. As we go  
deeper and deeper into the practice  
it has just begun to show me how in  
mystical body practices we are being  
healed from the root of our being.

VIVIEN, SOUTH AFRICA

We represent three continents  
and walking together in love  
and encouragement has been my  
most life giving spiritual practice  
this year (if not in my life).

PATTY, LINCOLN, NE

I have never been a part of something magical  
like this before, and I am so grateful for its existence!

CHRISTY, LOS ANGELES, CA

When I first heard about Integral Christianity's WeSpace, something  
deep inside me said, "There are people out there who experience  
the Divine similarly to me and I'm not alone." I signed up to participate  
in a group and I've been blessed to have been put into this group.

DANA, BALTIMORE, MD

**TO PAUL SMITH,  
OUR HEARTFELT THANKS....**

From the inception of ICN, Paul Smith has given freely of his time, energy, and efforts to bring forth this community. He has received no financial compensation, nor sought any. He co-founded and supports ICN with his open heart of love, eldering with great care and dedication. He has offered a great gift to all of us as he has laid the foundation and worked to bring the Integral Christian Network into being! It is difficult to find words to thank someone for a gift which has so profoundly graced the lives of many people. We hope this thank you, arising from ICN's collective heart, conveys our deep gratitude to Paul for all he has done to enrich our lives.

**AND TO ALL THOSE WHO HAVE MADE A  
CONTRIBUTION TO ICN, WE ARE GRATEFUL**

ICN HAS COME INTO EXISTENCE through the generous support of many early donors. Every donation, no matter the size, has been an affirmation of the impact ICN is having in people's lives.

The enthusiasm of our ICN members has translated into many also contributing their time, expertise, passions, and skills. With only one employee, we count on the engaged participation of all in our community—

not as volunteers dutifully filling in slots, but from the ground of resourcefulness, creativity, and mutual sharing from the places of our deepest passions. A co-created community of love where we all matter.

We are so deeply grateful and appreciative for every gift, contribution, and offering of support from and for this community and the work of the loving evolution of Christianity and the world. Thank you!

**ALL ARE WELCOME!**

ICN welcomes *everyone* to be part of our community.

**OUR COMMUNITY IS A LOVING FIELD  
OF EVOLUTIONARY TRANSFORMATION AND  
MYSTICAL PRACTICE TOGETHER.**

Our groups and practices were developed to bring us into conscious participation with our divine nature. Embodied together in holistic presence and love. Becoming awakened with the capacity to support, nurture and transform ourselves, one another, and the world.
