YLD CLE Series

The Young Lawyers Division is offering a series of NITA-like trial skills CLE’s. The first session was in August 2019. Session Two on Direct Examination will take place on November 7, 2019 from 8am to 1pm at Polsinelli PC. Thank you to Polsinelli PC for hosting. We are delighted that the following experienced attorneys will serve as faculty: Judge Karen Steinhauser (Aurora Municipal Court and Adjunct Professor at University of Denver Sturm College of Law), Pamela Mackey (Haddon, Morgan and Foreman P.C.) and Stacy Carpenter (Polsinelli PC) as presenters and coaches; Stephen McCrohan (Arapahoe County Public Defender’s office) and John Posthumus (Polsinelli PC) as coaches.

Each CLE begins with a panel discussion with distinguished attorneys and judges. After the panel, participants receive their assignments and prepare for their small group presentations. Breakfast and lunch are provided. Four CLE credits (application pending). Deadline to register on our website for Session Two is November 4, 2019.

YLD Grant Program

The CLC YLD Grant Program funds YLD members to assist in their efforts to further the CLC mission by making a difference for children and the underserved through education, advocacy, and systemic change. Members can apply for grants to help defray costs in pro bono representation, fund materials or space for clinics or other direct services, or provide scholarships for trainings that assist lawyers in providing pro bono services. Grants are awarded on a rolling basis, based on need and availability of funding. Grants are generally limited to $1,000 per lawyer/project. Apply on our website.
Project Homeless Connect

Project Homeless Connect was held on Thursday, October 10th at the Colorado Convention Center in Downtown Denver. In one day, typically over 1,000 homeless individuals receive important services, including basic health care, public benefits, jobs, and legal assistance.

Thank you to our 90 volunteers who provided legal information in the Legal Resource Area and represented clients in Homeless Court to resolve outstanding warrants for violations of Denver City's Ordinances. It was an incredible opportunity to help individuals in need.

Nonprofit Legal Audit Clinic

Thank you to everyone who participated in the Nonprofit Legal Audit Clinic held on July 17th at Polsinelli PC. In all, 65 lawyers volunteered and representatives from 22 nonprofits attended, a record turnout! At the clinic, teams of volunteer transactional attorneys reviewed checklists with participating nonprofits to evaluate their legal health. Client meetings were preceded by a CLE training for participating lawyers on Colorado nonprofit law.

The event was co-sponsored by the CLC, the Association of Corporate Counsel-Colorado Chapter, the Colorado Nonprofit Association, and Holland & Hart LLP. Don Yost (Holland & Hart LLP) videotaped the CLE portion, and the video is posted on the CLC website. Thank you to Davis Graham & Stubbs LLP for hosting and providing lunch. The next Nonprofit Legal Audit Clinic will take place on February 19, 2020.

Denver Legal Night

Since 2006, more than 5,000 volunteer attorneys have helped almost 30,000 people in the Denver-metro area. Denver Legal Night is co-sponsored by the Colorado Lawyers Committee, Denver Bar Association Young Lawyers Division and the Denver Access to Justice Committee. Volunteers help determine significant legal issues, refer individuals to legal services, and answer other questions about the legal process. Volunteers are not required to provide legal advice and do not need expertise in a particular area of law to participate. Legal resource binders, which include referrals in 15 areas of law, are provided. For more details, visit our website to sign up.

The annual Chair’s Roundtable Reception took place on September 12th on the rooftop deck at Polsinelli PC. Thank you to Polsinelli PC for hosting. It was a great event. The Chair’s Roundtable is a select group of individuals who show their support for the Colorado Lawyers Committee through a personal contribution of $1,000 per year for five years. Task Force Update

CIVIL GIDEON
Scott Llewellyn (Morrison & Foerster LLP) has agreed to lead this task force, along with Martha Fitzgerald (Brownstein Hyatt Farber Schreck, LLP) and Ed Kahn (retired). This group will examine whether there is a legal basis, under Colorado law, to argue that individuals who cannot afford an attorney are entitled to free legal representation in areas involving possible loss of essential rights, including housing, public benefits, employment and custody of their children.

IMMIGRATION TASK FORCE
The fear of being deported has kept victims of domestic violence and other witnesses of crimes from appearing at Colorado courthouses to testify. ICE agents, both in uniform and in plain clothes, have been appearing at courthouses awaiting the appearance of these crime victims, hoping to detain them under an ICE warrant. CLC formed a subcommittee to explore challenges to this behavior in Colorado courts.

The subcommittee is considering three possible approaches to stop ICE arrests (without court orders) at Colorado courthouses: (1) A lawsuit similar to one filed in Boston, MA which relied on common law privilege (a TRO has been granted); (2) A Chief Justice Directive similar to one adopted in New York; (3) An order by the local Chief Judge similar to one entered in Albuquerque, NM.
