Honoring Tamir’s 8th Remembrance Day

November 22, 2022
We would like to honor our Beloved, Tamir Rice, on his 8th Remembrance Day.

Tamir was only 12 years old when his life was senselessly taken from us on behalf of a corrupt government system.

The vision of the Tamir Rice Afro-Centric Cultural Center is to create a place where children feel safe and can be nurtured in the purest ways.

The Center is currently being remodeled to support 75 to 100 children and staff. It will be a beautiful space to learn and create magical memories.

In honor of Tamir, please consider becoming one of our sponsors for this great cause to support our youth.

OUR PAST PROJECTS

Since 2016, Ms. Samaria Rice and the Tamir Rice Foundation have created opportunities to support education and access to arts for youth in Cleveland.

The Tamir Rice Foundation also continues to invest in family-led advocacy efforts for police reform and justice for victims of police murder.
The goal of the Tamir Rice Afrocentric Cultural Center is to enrich the lives of children so they grow into adulthood with a strong connection to self and community and increased motivation for civic engagement.

Through engagement with the Center, youth will transition into young adulthood equipped with:
1. Knowledge of culture, rights, and history
2. Ability for self-expression
3. Motivation for civic engagement
4. Satisfactory academic performance
