Mission Report #3: Immediate Aid: Food & Blankets for Artsakh

Initial Plan

On this mission, Kooyrigs will be delivering immediate aid in the form of blankets and sustenance. The sustenance, mainly dry foods and oil, was graciously donated by community members in Yerevan at the "Flour Power" collaborative aid collection event at Hayk Coffee with All For Armenia. Kooyrigs is working with the Social and Psychological Support Center of Artsakh's Social Ministry to determine which families are in most need of the aid. The center will be assisting us with distribution in Martuni.

Departure: April 26, 2022
Return: April 28, 2022

Modified Plan

Only one team member is going on Mission #3 due to the labor support we have with on-ground through the Social and Psychological Support Center of Artsakh.

**Our Next Steps**

We intend to continue distributing aid to Artsakh on an as-needed basis. At the moment, there is a demand for extra survival resources like blankets, dry foods, and clothing.
Please note: The receipt is the same as Mission #2 because the blankets we distributed this mission (Mission #3), were left over from Mission #2. All other distributed aid was donated by community members.
