Article 1  Name of Organization

Birmingham Metropolitan Planning Area Transportation Technical Committee

Article 2  Legal Authority

The Metropolitan Planning Organization (MPO) is the organization designated by the Governor as being responsible, together with the State, for carrying out the provisions of the Code of Federal Regulations as applicable to transportation planning in certain urban areas and apportionment of funds as well as being capable of meeting requirements of the United States Codes as applicable to federal financial assistance, long-range program, urban mass transit and air quality. These regulations also set forth requirements for establishing a proactive public involvement process.

Cooperative Agreements to implement these provisions have been executed among the major groups involved in transportation planning.

Included in the Agreement is the provision for a representative Transportation Technical Committee.
