RESOLUTION 2019-2
HIGHWAY SAFETY IMPROVEMENT PROGRAM TARGETS

WHEREAS, federal regulations require that plans and programs of Metropolitan Planning Organizations include Highway Safety Improvement Program Targets; and

WHEREAS, the Transportation Citizens Committee (TCC) and the Transportation Technical Committee (TTC) of the Birmingham MPO, in coordination with the Federal Highway Administration, Federal Transit Administration, and the Alabama Department of Transportation, has reviewed the requirement to adopt the Highway Safety Improvement Program Targets for use in the transportation process; and

WHEREAS, the TCC and TTC have recommended that the Birmingham MPO support the Highway Safety Improvement Program Targets approved by the Alabama Department of Transportation as follows:

- Number of Fatalities – 932
- Rate of Fatalities per 100 million vehicle miles traveled (VMT) – 1.33
- Number of Serious Injuries – 8,469
- Rate of Serious injuries per 100 million VMT – 12.08
- Number of Non-motorized Fatalities and Serious Injuries – 394

NOW THEREFORE, BE IT RESOLVED that the Birmingham MPO Policy Committee concurs with the recommendation of the TCC and TTC and agrees to support the Highway Safety Improvement Program Targets as approved by the Alabama Department of Transportation.

Adopted this 13th day of February 2019.
