- Provides direct service work with students to assist in their development of leadership, self-esteem, character and identity, community service learning, and positive adult and peer relationships.
- Leads or co-leads activities for youth in the program on a weekly basis.
- Builds relationships with young people to support their social and academic development.

Family and Community (30%):
- Conducts outreach in the community to link youth and families with available resources.
- Checks-in regularly with parents about youths’ experience in program.
- Assists with the planning and implementation of all family events.
- Translates conversations between other staff and families by phone and/or in person as needed.
- Assists with translation during new student intake sessions for the school year and summer programs.

Other (10%):
- Other responsibilities as assigned by the ESNS Youth Program Manager.
Job Requirements and Qualifications:

Education:
- High school diploma and/or two years of experience working with youth. Two or more years of college or post-secondary education in Child Development, Human Services, Education, or related field preferred.

Experience:
- Proficiency writing and speaking in Spanish, as well as the ability to translate into spoken and written English is required.
- Preferred minimum of two years’ experience working in youth support services such as after school programming, summer camps, coaching, or related field.
- Experience doing outreach to parents or guardians and working with groups and program planning in a community setting is preferred.
- Must be self-motivated, driven, and willing to take initiative on projects and in leading groups.
- A willingness to learn more about the social/emotional, nutritional, and physical needs of K-12 youth, as well as the structure and design of quality youth programming is required.
- Valid MN driver’s license and access to reliable transportation preferred.
