Ciao tutti! Welcome to a very slimmed down and homemade SFIAC newsletter. We wanted to check in with our members and friends to provide some updates about the status of the Club, how to stay connected and how you can help during these tough times. Today, San Francisco Mayor London Breed announced that the Shelter in Place will continue through May 31. It’s now been seven weeks since we were forced to close. The constant quiet of the club is startling. Missed are the aromas of garlic, seared meats and even spilled beer. We truly can’t wait to have you all at the Club again. Until that is possible, we invite you to purchase our “Stag to Go”. The rabbit and polenta May stag is always our most popular. Last year we had 320 of you wedged into the ballroom. This year, purchase rabbit and polenta dinners to share with your family, friends and neighbors. Our family team of Chef Walter, server Silvia and their son Irwin will prepare and pack the meal for you and Nick will navigate our contactless pick-up. You can also add on Club member Guido Mastropaolo’s delicious Gio Gelati and Club wines. These dinners are not only a way to stay connected to the club; but, are a great source of financial support to our staff.

A pandemic seems to make people extra thirsty; so, we have expanded our wine and liquor sales program. We have also begun selling baskets of North Beach and Club specialties and Italian products delivered to your home.

We are trying to keep everyone updated with weekly email news blasts. If you do not receive our emails please email gina@SFIAC.org to be added. Please check our web site, Facebook and Instagram for updates about the June “Stag to Go”.

Chief Operating Officer Message

What a difference a newsletter makes! Last time I wrote about our past success, financial health, and strong prospects for the future. Now, I write seeking your support in three areas: First, a tax-deductible donation to our COVID-19 relief fund would directly benefit the dozens of Club employees laid off during this crisis. We have already distributed $20k in cash to the bartenders, servers, cooks, and dishwashers that serve you. I would like to thank Leo Rocco who donated $5k and the following $1k donors: Victor Scafani, Bill Isetta, Steve Lavezzoli, Nick Figone, and Lou Pinotti. I realize that not everyone can participate at these levels so consider purchasing a gift basket of Italian specialty products or a case of wine, both of which will be delivered to your door step. Finally, if you cannot spend any money right now, tell 10 non-member friends about the gift baskets and wine delivery we are offering. This costs you nothing but your time. We are working harder than ever to keep the ship afloat and hope that we’ll be able to serve you when this is over. Only time and community support will tell.

Stay safe,
Nick Figone

Checking In: The Club is an extension of family and we need to check in on each other. Reach out if you need assistance with getting groceries or just want to say Ciao! If you are wondering how another member and his family are doing - feel free to email me for their contact info.

Stay in Touch: Tag the SFIAC in Instagram and Facebook posts. If you would like your business information shared or you just want show us your kitchen skills and new hobbies. We can’t wait to see everyone together again. Hopefully this is all over sooner rather than later. Email if you need anything gina@SFIAC.org. Stay safe and sane.
