Hello everyone,

The first quarter has come to a close and unlike last year, we are back to pre-pandemic levels. The monthly stag dinners are regularly sold out and we had a full schedule of events including Italian guitarist Beppe Gambetta from Genoa, crab mixer, two cigar and steak dinners, Man and Old Timer of the Year dinner, and the screening of “Potentially Dangerous - When it was a crime to be Italian” by producer John Turturro and winner of a Russo Brothers film grant. The film details the lives of Italians in the Bay Area being arrested, put into camps, and branded “enemy aliens” during WWII. It was a dark time in our nation’s history; but, it should never be forgotten.

This year we are combining the Statuto Race with the Festa to create a weekend long celebration in commemoration of the Festa della Repubblica. This will be the largest public event the Club has ever put on with two days of music, food, drinks, arts and crafts, Italian pride, and an 8k race on Sunday morning. We will need volunteers; so, please sign up. This will be one event you DO NOT want to miss!

I want to welcome Jeff DelBono and Bill Kerr to the board of directors. Bill has served on the board in the past and Jeff is already working on many events. I also want to thank directors Joe Marino and Paul Massaro for their dedication and service over the many years.

Sempre Avanti,
Manuele La Torre, SFIAC President

Ciao a tutti,

Il primo trimestre è giunto al termine e, a differenza dello scorso anno, siamo tornati ai livelli pre-pandemia. Le cene di addio al celibato mensili sono regolarmente esaurite e abbiamo avuto un programma completo di eventi tra cui il chitarrista italiano Beppe Gambetta di Genova, mixer di granchio, due cene a base di sigari e bisteche, la cena Man e Old Timer of the Year e la proiezione di “Potentially Dangerous - Quando era un delitto essere italiani” del produttore John Turturro e vincitore di una borsa di studio dei Fratelli Russo. Il film descrive in dettaglio le vite degli italiani nella Bay Area che vengono arrestati, rinchiusi nei campi e bollati come “alieni nemici” durante la seconda guerra mondiale. È stato un periodo oscuro nella storia della nostra nazione; ma, non dovrebbe mai essere dimenticato.

Quest’anno stiamo combinando la Corsa dello Statuto con la Festa per creare una celebrazione lunga un fine settimana in commemorazione della Festa della Repubblica. Questo sarà il più grande evento pubblico che il Club abbia mai organizzato con due giorni di musica, cibo, bevande, arti e mestieri, orgoglio italiano e una gara di 8 km la domenica mattina. Avremo bisogno di volontari; quindi, per favore iscriviti. Questo sarà un evento da NON perdere!

Voglio dare il benvenuto a Jeff DelBono e Bill Kerr nel consiglio di amministrazione. Bill ha fatto parte del consiglio in passato e Jeff sta già lavorando a molti eventi. Voglio anche ringraziare i direttori Joe Marino e Paul Massaro per la loro dedizione e il loro servizio nel corso di molti anni.

Sempre avanti,
Manuele La Torre, SFIAC president

CALLING ALL MUSICIANS

We are trying to gauge interest in a monthly Members’ Bar blues jam session / open mic night. One Saturday night per month.
If you play an instrument or sing please contact
Tom.Banducci@sfiac.org
I prematurely celebrated the success of our membership-management software solution in my last article. Technical glitches continued in December and by mid-January, we decided to terminate our relationship with GlueUp after two years of frustration. The final straw was an unacceptably high rate of renewal emails being undeliverable to member inboxes. Please delete the app if you have not done so already. We have nearly completed our extensive research of a replacement technology. Expect future communications on this topic, in the coming months, via email and at General Meetings.

Speaking of General Meetings, the February meeting had a packed house thanks to a record number of new members being sworn in and a sneak preview showing of Potentially Dangerous set to air on PBS later this year. Numerous members commented that they had never heard of the Italian internment during WWII and were equally shocked and fascinated to learn of this dark chapter of our ancestors. Thank you to Frank Bruno for bringing this documentary to us and to Ron Derenzi for showcasing his grandparents’ “Enemy Alien” registration cards they were forced to carry with them at all times.

Repairs and maintenance this quarter included a major plumbing repair in the Grand Ballroom bar. This was one of the few areas left untouched during the pandemic renovation. Two new drains were installed while the floor was demolished, and a heavy cast iron waste line replaced.

Finally, join me in welcoming Nicole to the office and Steve to the events team. Nicole will likely be answering the phone the next time you call the Club office and will work closely with Keely and Gina. Steve comes from a nearly twenty-year career at the House of Prime Rib and with his extensive floor and management experience has already hit the ground running working with Nico to elevate our banquet business. Be sure to introduce yourself the next time you are at the Club.

Soccer team

Ciao a tutti i tifosi di calcio,

The SFIAC soccer team is officially back for the 2023 season!

After a four-month off-season and many championship celebrations later, the team started preseason training in early January to begin preparations to defend our SF Soccer Football League Premier Division title. The team returns with a large core of players from last year’s squad and has a few new additions this year, to deepen our roster for the eight-month season. The league kicked off on Sunday, March 5. You can find updated schedules and standings at SFSFL.com.

We’d like to thank the Club, our jersey sponsor (ItalFoods / Richard Armanino), and the sporting directors (Jim Anderson and Steve Caporelli) for prioritizing and supporting the soccer team. The team is looking forward to giving back to the Club by attending events throughout the year and representing SFIAC with pride and passion on the pitch. New soccer jerseys will be available for purchase at the Club soon.

Please follow us on social media (Twitter, Instagram: @sfiac_calcio), and we hope to see many members at the field supporting us on Sundays!

FORZA SFIAC!!
Marco Saglimbeni and Alessandro Giannini

Welcome to the SFIAC-sponsored Dolce Vita cycling team. Five team members have joined the SFIAC. Congratulations on all your success.

Grazie mille to our sponsor ItalFoods. We have ordered additional jerseys for purchase. Stay tuned for their arrival.

New Members

Our membership team just isn’t slowing down. We welcomed twenty-three new members in February! Welcome to all of our newest Club members. If you see any of them at the Members’ Bar or a Stag be sure to introduce yourself and say Ciao!

Gina Travaglio, Membership Manager
JOIN THE SFIAC

It is the Club’s goal to promote Italian culture and to bring in new members so that the SFIAC can continue to be the premier Italian men’s club in the Bay Area for another 100 years and beyond.

The Membership committee wants to make the process of bringing new members into the Club as easy as possible. Here is all you need to do: Visit www.sfiac.org > Membership or scan the code, below, to get started.

The Membership committee has been hard at work on the application process and ideas to make the Club better for you. And if you see new faces at the Club, don’t be afraid to introduce yourself, learn about the new member, and continue to spread Italian heritage to your fellow paisanos.

Do you need to be 100% Italian to join?
No, we just need to see that you have Italian heritage on at least one side of you family.

Do you need to have an Italian last name?
No, we have plenty of members whose Italian heritage comes from their mother’s side.

Do you need to live in North Beach to join?
No, you can join regardless of where you live. Members who live more than 50 miles from the Club can opt to be Associate members.

How can I show my Italian heritage to join?
If you don’t have an Italian last name, usually you can show it on a birth certificate or baptismal certificate. The membership team can help advise on what you should do if that will not work for you.

Do you need to personally know a member of the Club to join?
The application requires you to have a sponsor who is a Regular or Lifetime member. You will also need to have the names of two other Club members to put on your application. The membership team can help you get this done.

I let my membership expire. May I re-join?
Yes, we always welcome back previous members who left in good standing. Please contact the Membership team committee to get your application back on track to re-join.

How do I get an application to join?
You can start at our website www.sfiac.org > Membership

Am I eligible to join?
You don’t know until you ask. You can start at our website www.sfiac.org > Membership

Do I need to be an athlete to join?
You do not need to be an athlete to join.

Welcome to our record setting twenty-three new members who joined in February.

Congrats to Tom Piro for winning the Molinari pack at the stag raffle. All raffle proceeds go to support the Club. It pays to play!

Raffle donors
Grazie mille to Tom Banducci, Frank Castaldini, Jim Ervin and Ralph Olcese for recent donations to the stag raffles. Support the Club or promote your business by donating a raffle item. Contact tom.banducci@sfiac.org to arrange a donation.
Our Inaugural Appeal Comes to a Close with Resounding Success

We want to express our gratitude to our one-hundred and thirty-seven donors that helped us raise $196,150 in our first ever appeal. We would like to acknowledge and give immense thanks to our generous benefactor the Thoresen Foundation for donating a $100,000 matching grant. Without the immense support and generosity of the Thoresen Foundation none of this would be possible.

Inaugural Italian American Future Leaders Conference.

The SFIAC Foundation sent two representatives, Keely Batmale and Giancarlo Esposito to Sunrise, Florida for the Inaugural Italian American Future Leaders Conference. This not-for-profit collective brought together 100 Italian Americans ages 21-35 in an effort to bridge the divide between the older and younger generations in Italian America. Their weekend was filled with strategic collaboration, keynote seminars, group discussions, Q & A panels, VIP sporting events, and of course some phenomenal food! As the first conference of its kind, we are proud to have had not one but two attendees represent the Foundation.

The Conference was kindly spearheaded by NIAF’s former President and Italian American Podcast Host, John Viola, and COPAMAYO President, Judge Basil M. Russo. The Conference had an Advisory Board filled with influential leaders from some of the largest organizations in Italian America. Advisors included social media star, Rossella Rago from Cooking with Nonna, Growing Up Italian Podcast Hosts Rocco and Sabino, Italian American Podcast Host Patrick O’Boyle and Stephanie Longo, Italian Sons and Daughters Representatives, Italian Consulate Committee Members, and more. We are grateful to have had the opportunity to network with Italian organizations all across the country, and are already counting down the days until next year!

The Voyage of Discovery

We are thrilled to announce that siblings Filomena and Marcello Prudente Reilly have been chosen to represent the SFIAC Foundation at the 2023 Ambassador Peter F. Secchia Voyage of Discovery trip to Italy. The National Italian American Foundation hosts this fourteen day all-expenses paid journey of a lifetime to Rome and the 2023 Region of Honor Emilia-Romagna. Marcello is a SFIAC member and Filomena is the reigning Queen Isabella of the Italian Heritage Parade. Have a great trip and we can’t wait to hear all about your adventure.
OUR FIRST EVER TWO DAY EVENT
Festa Coloniale Italiana and 102nd Statuto Race
June 3 and 4, 2023

Festa Coloniale Italiana
Building on the success of Festa 2022, we are pleased to announce that Festa Italiana will be a two day celebration of all things Italian. Two days of music, food, wine, spritz, dancing and more. The Festa Coloniale Italiana was created as a public event to celebrate Italian culture and highlight our mission. The Festa is a free, fun, family event open to the public. Enjoy live music, authentic Italian cuisine, wine tasting, pizza tossing by Tony Gemignani and exhibits. Browse through the Italianissimi inspired products of the vendors, sip a beverage, and stroll to the live music. On Sunday, we are excited to present an afternoon of accordion music by over twenty musicians.

102nd Statuto Race
The first Statuto Race was held in North Beach in 1919. The Statuto Race commemorates the creation of the first Italian Constitution (Statuto Albertino) and is a running tradition in San Francisco for over 100 years.

On Sunday, June 4, the race offers an 8k run and 2 mile walk for over 300 participants. The race starts and finishes at the SF Italian Athletic Club. For the first time ever, the post race festivities of a post race brunch and awards will segue into the second day of Festa with entertainment, food, drink and vendors. Runner receive an iconic Italian salami for their efforts #runningforsalami. Register for the race at statutorace.com.

We are seeking sponsors for the weekend of events. Many opportunities available.
Please contact Gina Travaglio at gina@sfiacfoundation.org for more information.
