## General

The colours and finishes in both printed and online may vary from the actual products supplied, due to the reproduction of colours in printing or screen appearance.

The sizes of all products stated are subject to a small tolerance. All bedrooms are assumed to be well ventilated and of a dry non-humid environment. Product failures caused as a result of inadequate conditions are not covered by the terms of our guarantee and warranty.

The information contained on our website and in our printed literature is correct at the time of press. However, we reserve the right to alter materials and specifications in line with our continuing programme of product and service development.

## General Guarantee Terms

Our general terms and guarantee are set out below. Please refer to individual product sections for specific conditions and guarantee terms.

General guarantee applies when:

1.0 The original invoice and a signed proof of delivery are available.

1.1 Products are installed correctly in accordance with our installations and are used under normal domestic circumstances.

1.2 In the event of a product failure within the guarantee period (from the date of purchase) Global Doors will supply a free of charge replacement for the failed item. If that part is no longer available, a nearest equivalent replacement will be supplied. Our guarantee is limited to the products supplied and does not cover any associated installation costs, consequential loss or damage claims.

1.3 The terms of this guarantee do not affect consumer's statutory rights.

1.4 Any guarantee is limited to the original purchaser, is non-transferable and does not cover the purchase of ex-display items.

1.5 To obtain replacement parts in accordance with the terms of this guarantee, please contact us.

1.6 Product guarantees may be invalidated through incorrect care and maintenance procedures. Please contact Global Doors Ltd. for further information on care and maintenance.

1.7 All electrical installations must be carried out by a suitably qualified electrician. The guarantee does not cover products incorrectly installed.
