Let us create the bedroom of your dreams and sleep easy tonight...

Our Palermo Grey colour palette offers a sophisticated collection of bold and muted grey tones. This range of doors is presented in a spectrum of shades. Light Grey and Chalk Grey Glass are our palest, almost off white finishes.

On-trend Chicago Concrete, along with Aluminium and Dust Grey are some of our mid toned finishes. Anthracite metal rock is one of our latest finishes displaying the perfect fusion of stone character and metal appearance. Thanks to the earthy colour elements of the anthracite, it creates a harmonious contrast to wood and warm grey tones.

Veneto White features a contemporary collection of off-white tones, along with accents of neutrals and grey hints.

This colour palette presents an assortment of shades. Pure White Glass and Satin White Glass are our purest finishes, which perfectly complement our woodgrains and textured finishes including Whitewood, White Halifax Oak, Levanto Marble and White Chromix.

A close-up photograph of several dried, feathery plant structures, possibly seed heads, against a light, airy background. The structures are composed of numerous thin, translucent, and slightly curved filaments that radiate from a central point, creating a delicate, fan-like appearance. The overall color palette is soft and monochromatic, ranging from pale beige to light grey. The lighting is diffused, highlighting the intricate textures and fine details of the plant matter.

Calabria Cashmere is the most feminine colour palette in our Tresana Collection, an exemplary choice for a romantically styled bedroom.

Dusky pink and pale coral soft furnishings provide the perfect backdrop for rich neutrals and smoky shades. Cashmere Grey, along with Cashmere Glass are the most subtle finishes in this palette. Mix them with woodgrains including Grey Nebraska Oak and Shorewood to add texture into your overall room scheme. Team them with Stone Grey or Antique Mirror for equally striking sliding door wardrobes.
