
Diocesan Leaders for Rev. Charlie Holt

May 25, 2023

Dear Brother and Sisters in Christ,

We write to you today as priests and lay leaders within the Diocese of Florida, to express our wholehearted support and endorsement of The Reverend Charlie Holt as Bishop-Elect. We firmly believe that Fr. Charlie possesses the qualities necessary to lead our diocese with compassion, wisdom, and a commitment to the unity of our theologically diverse community. We believe that it is important, as leaders within the diocese, to publicly address the reality of our diocese from a firsthand perspective.

We believe Charlie+ to be well suited to be the next Bishop of the Diocese of Florida. He possesses needed gifts in mission and ministry, he is a proven visionary leader. Fr. Charlie's ability to listen attentively, empathize deeply, and provide guidance and support has endeared him to clergy and lay alike. We have every confidence in The Rev. Charlie Holt and have twice elected him to be our next Diocesan Bishop.

One of the defining strengths of the Episcopal Church is its "big tent" mentality which is succinctly stated in our baptismal call to seek and serve Christ in all persons and respect the dignity of every human being. It is our fear that this guiding principle is being forgotten during this consent process. Our congregations are rich with diversity of theological opinions and backgrounds which is a defining part of our life in the Diocese of Florida. No matter the outcome we are working with individuals who are feeling disenfranchised because sides are being created and the tent is crumbling.

For Charlie not to receive the necessary consents would further wound and paralyze our diocese, delaying us from the necessary work of ministry. We know we are capable at the same time of both the work of healing relationships and growing the church's mission. We believe that consent for Fr. Charlie's election will be a significant step towards healing and unity in our diocese and toward a vibrant future.

In conclusion, we humbly ask those of you serving on Standing Committees and Diocesan Bishops to give your consent to the election of The Rev. Charlie Holt to be Bishop Coadjutor-Elect in the Diocese of Florida. If you have voted to withhold consent, we would ask you to reconsider as you have until July 20th, 2023 to do so, that is to change your vote.

May God bless you in your discernment, and may the Holy Spirit guide us in our shared journey of faith and reconciliation.

Yours in Christ,
