“My time at SOAR365 has been wonderful. I get the opportunity to help out with art classes and I have met so many lovely people. I find it very rewarding to help others find passion in the arts. Personally, I use art as a means of self expression, but also as a way to relax my mind for a while. I aim to encourage others to do this as best I can. Coming to SOAR365 is certainly the highlight of my week, and I always look forward to doing new things with this group of people.” – Ben Hart
