Descriptions

Animate: Practices

St. Michael's Hall

Animate: Practices is an introduction to and reminder of the central practices of the Christian faith, why they are important, and how we can take part in them today. Participants will watch a video featuring a leading voice from the Christian faith and spending time in small and large-group conversation.

Aging Parents & Caregiving

Room 203/204

This four-week series is intended for caregivers of aging parents or others to recognize and understand this as an important milestone in their lives. Pastor Carlson will facilitate ways participants can share and develop a supportive and healthy relationship with their friends or loved ones in the home or long-term care residence.
