what in the world...

is the Pastoral Report and Prayer?
The pastoral report and prayer is when a pastor shares about friends in our church family who have been in the hospital or lost a loved one in the past week. We take a moment to pray for them during the service but you can pray for them throughout the week! You can write their names here to help you remember.
Welcome to God's house! We are so glad you're here. Take a moment to think about your week. How did God help you this week?

Call to Worship
