3 REASONS YOU'LL LOVE AXUS

1 It's Effortless

Your planned trips automatically load when you log in. Just tap an itinerary to see all of the details of your trip! Any additions or changes update automatically.

2 It's Realtime

You'll get realtime flight alerts and notifications. This is particularly helpful while you're traveling.

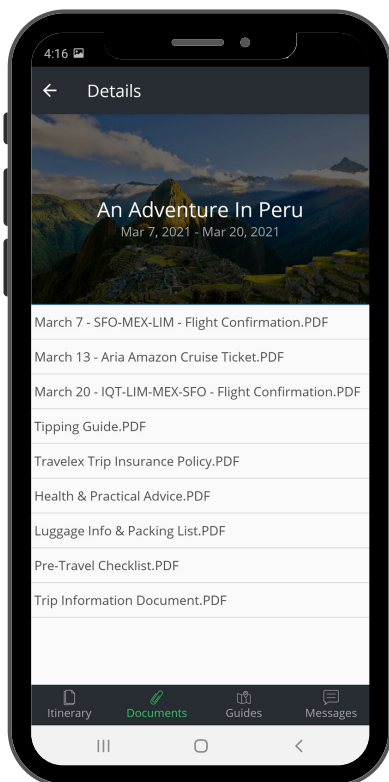

3 It's Easy to Navigate

Itinerary: Takes you to your detailed itinerary, from flights and hotels, to transfers and tours. It's all there.

Documents: Celestielle has uploaded important and helpful documents for easy access during your trip.

Guides: See available guides relevant to your trip with overviews, things to see & do, dining, facts, etc.

Messages: You can message the Celestielle team directly via AXUS.
