The background is a complex abstract composition. It features a light-colored, textured surface, possibly a coarse fabric or paper, which is partially covered by large, irregular black shapes. These shapes include thick vertical strokes, horizontal bands, and some circular or semi-circular forms. The overall effect is one of high contrast and organic, almost gestural, forms. A small, rectangular piece of yellowish, torn paper is pasted in the center of the image.

On every street
in every city
in this country
there's a nobody who
dreams of being a somebody...

A dark, grainy, high-contrast photograph of a person's face, possibly a woman, with a piece of paper taped to the forehead. The person's features are mostly obscured by deep shadows, with only the eyes and mouth area being slightly visible. The paper on the forehead is light-colored and has the words "SPIRITS LIST" written on it in dark, hand-drawn capital letters.
