

## Jennie Muniz, CPA

Senior Manager, DHG Assurance

Jacksonville, FL

904.428.1187 | [jennie.muniz@dhg.com](mailto:jennie.muniz@dhg.com)

### Experience

Jennie is an audit senior manager in the Jacksonville office with more than 14 years of public accounting experience including service with an international accounting firm prior to joining DHG in 2008. Her experience includes serving a variety of companies with multi-state operations. She also has significant employee benefit plan audit experience currently serving more than 70 plans annually, which include 11-K filings, defined contribution, defined benefit, and ESOP plans. She is Advanced Defined Contributions Plan Audit certified, a respected credential awarded by the AICPA's Employee Benefit Plans Audit Quality Center to certify a professional's ability to plan, direct and report on Plan audits while following the latest AICPA standards and requirements.

Jennie had the honor of being selected as one of Northeast Florida's '40 under 40' by the Jacksonville Business Journal for 2013 as well as one of the top 26 CPAs under 36 in the State of Florida by the FICPA in 2014.
