

Roswell Presbyterian Church
Nursery Childcare
COVID-19 Acknowledgment & Release

Please read and initial each statement below.

1.____I understand that during this COVID-19 Public Health Emergency I will NOT be permitted to enter the nursery rooms. I understand that this procedure change is for the safety of all persons present in the facility and to limit to the extent possible everyone's risk of exposure. I understand that it is my responsibility to inform any Emergency Contact persons of the information contained herein.

2.____I understand that to enter the church my child must be free from COVID-19 symptoms.

Symptoms include:

- fever of 100.4 degrees Fahrenheit or higher
- dry cough
- shortness of breath
- chills
- loss of taste or smell
- sore throat
- muscle aches

While we understand that many of these symptoms can also be related to non-COVID-19 related issues we must proceed with an abundance of caution during this Public Health Emergency. These symptoms typically appear 2-7 days after being infected so please take them seriously. Your child will need to be symptom free without any medications for 72 hours before coming to the church nursery.

3.____I understand that my child's temperature will be taken before entering the nursery room.

4.____I understand that masks/shields will be required for the childcare staff.

5.____I understand that my child will be required to wash their hands using CDC recommended hand washing procedures throughout the day using warm running water and rubbing with soap for at least 20 seconds.

6.____I understand that outside of care, in order to control my child's exposure in the community, I will do my best to comply with state and CC guidelines and recommendations.

7._____I understand that while present in the nursery my child will be in contact with children and staff who are also at risk of community exposure. I understand that no list of restrictions, guidelines or practices will remove 100% of the risk of exposure to COVID-19 as the virus can be transmitted by persons who are asymptomatic and before some people show signs of infection. I understand that I play a crucial role in keeping everyone in the facility safe and reducing the risk of exposure by following the practices outlined herein.

I, _____, certify that I have read, understand, and agree to comply with the provisions listed herein.
